

Brewster

CENTRAL SCHOOL DISTRICT

POINTS OF PRIDE

Brewster is a proud community with a rich history, which anchors our philosophy of creating responsible and impactful global citizens and multiple pathways for student success.

Our Strategic Plan has encouraged a robust curricular programming, including Pre-K, Dual Language, STEM-infused coursework, and a wide array of electives, AP and Dual Enrollment programs. A new Pathways in Technology (P-TECH) grant from NYSED will give our students the opportunity to earn an Associates Degree in high-demand STEM fields at no cost.

Our thriving extra and co-curricular programs aim to holistically support our students' growth. Our award-winning NJROTC program provides unique leadership and citizenship opportunities, and robust Athletics and Performing Arts and many other K-12 club offerings round out an optimal K-12 learning experience.
