

## 2nd Grade School Supply 2025 - 2026

We are excited to have your child for the 2025-2026 school year! We will purchase your child's school supplies with the supply fee. We ask parents to provide a \$10 school fee, along with a \$25 supply fee. Money will not be accepted during Open House, however, it can be sent and accepted the first week of school.

This money will cover basic school supplies needed for each class. Any personal items such as headphones, personal crayons/markers, and pencil cases can be placed in your student's backpack, labeled with their name, and brought on the first day of school! Since second grade switches classes, we recommend talking to your child about keeping these items safe and in their backpacks until it is time to use them to ensure that they do not get lost or taken.

Needed for the first week of school:

- \$10 school fee
- \$25 supply fee
- Personal headphones (please put your student's name on these)
