

Valley High School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Valley High School
Street	1927 Randolph St.
City, State, Zip	Delano, CA 93215
Phone Number	(661) 720-4180
Principal	Uriel Robles
Email Address	urobles@djuhsd.org
School Website	https://www.djuhsd.org/Domain/11
County-District-School (CDS) Code	15634121531656

2021-22 District Contact Information

District Name	Delano Joint Union High School District
Phone Number	(661) 725-4000
Superintendent	Jason Garcia
Email Address	jgarcia@djuhsd.org
District Website Address	www.djuhsd.org

2021-22 School Overview

The Valley High School community is committed to empowering students through the realization of the school's vision, promotion of the school's mission, and dedication to the school's Student Learner Outcomes which embody the principles that are the foundation of our "professional learning community" and serve as the tenets around which we base our decisions. The high school's curricular emphasis has both a solid foundation in the depth and breadth of California State Standards, the 4 C's of the Common Core State Standards, while maintaining particular attention to the various learning styles and needs represented by all students and inherent in an Alternative - Continuation educational setting. Student Learner Outcomes - also known as the Expected Student Learning Results- are a driving force in curricular development and teaching methodology. They are intended to challenge students to graduate College and Career Ready, with skills in Communication and Technology, able to solve real life problems through High Order/ Critical Thinking, and be Global Citizens that are Socially Responsible with an appreciation for Diversity and Service Learning. Valley High School's instructional program is organized into seven periods. In lieu of a typical quarter/semester system, Valley High School's grading periods are organized into approximately ten 18-day cycles. This structure allows students to earn zero to seven or more units of credit in each cycle, therefore accelerating the credit recovery/accumulation process. Valley High School offers a comprehensive standards-based curriculum for students seeking an alternative solution to earning their diploma. Most students who experience difficulty in a traditional comprehensive high school setting often find success in an alternative program. Referrals to the continuation school may be initiated by students, parents, teachers, counselors, administrators, and the Juvenile Probation Board. During the 19-20 Spring Semester, our District moved to a pure Distance Learning System due to COVID-19. During the Distance Learning schedule, VHS provided technology, computers, wifi for each student to continue their academic progress. For the 2021-2022 school year, Valley High School is open to full in person learning instruction with some students still completing their course work via independent study program.

Valley High School recognizes the need to provide a modified and alternative curriculum for students struggling with traditional programs or experiencing challenging situations. A variety of programs are offered through Valley High School that utilize standards-based resources and innovative strategies to promote academic success and personal growth:

- *Independent Studies
- *Opportunity Program
- *Edgenuity (online curriculum)

2021-22 School Overview

SCHOOL MISSION

The mission of Valley High School is to empower students to become productive citizens by developing the skills necessary to promote self-worth and independence, knowledge, and creativity in order to adapt to a world of accelerating change within a safe, supportive, and secure school environment. The school's mission and vision have been, and continue to be, realized as Valley High has been recognized by the State of California as a Model Continuation School. Also, as further evidence that VHS is making strides in keeping up with today's 21c challenges, US News and World report named VHS as one of America's Top High Schools (Bronze Medal). As such, our Vision Statement has been embedded into our WASC Student Learner Outcomes (Graduation Outcomes) to reflect the mission of the school.

"At Valley High School all students will soar towards college and/or a career."
Every EAGLE will build capacity to know and be able to:

- E - EMPOWER themselves to achieve academically and be socially aware.
- A - ACQUIRE 21st C. skills to be college and career ready.
- G - GRADUATE proficient in literacy, numeracy and technology.
- L - LEARN to communicate, collaborate, think critically and be a lifelong problem solver.
- E - ENCOURAGE diversity, cooperation, community service, and global responsibility.

Principal's Message

Welcome to Valley High School's annual School Accountability Report Card. This document provides valuable information about the school's instructional programs, academic progress and achievements, materials, facilities, and staff. Parents and the community play a vital role in our school's success. Understanding our educational program, student achievement, and curriculum development, can assist both our school and community in reaching our goal of graduating every EAGLE college and career ready.

We have made a commitment to providing the best "Alternative" educational programs possible for our students. The flexible and excellent quality of our programs is a reflection of our highly committed staff. We are dedicated to ensuring that our school provides a welcoming and stimulating environment where students are actively involved in learning academics, as well as, positive values. Together, through hard work and dedication, students will be challenged to build capacity, reach their maximum potential and be productive and contributing members of the community and responsible citizens in the 21c. global economy.

The small size of Valley High School allows our staff to get to know each student on an individual basis. Each staff member works to nurture a positive relationship and promote self-esteem into the students at Valley High School. Student incentive programs are held throughout each semester to reward and motivate student progress.

Our goal in presenting you with this information is to keep our community, parents, and the public well informed about our great school. In reflection of our goals, we desire to keep the lines of communication open and we welcome any suggestions, comments, or questions you may have. Thank you for supporting Valley High School as we continue to strive for our goal of providing students with the education and motivation to become productive and successful citizens.

Sincerely,
Uriel Robles, Principal Valley High School

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 10	12
Grade 11	20
Grade 12	62
Total Enrollment	94

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	36.2
Male	63.8
Black or African American	1.1
Filipino	4.3
Hispanic or Latino	92.6
White	2.1
English Learners	40.4
Foster Youth	2.1
Migrant	4.3
Socioeconomically Disadvantaged	96.8
Students with Disabilities	17

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	2.8	43.5	137.6	73.8	228366.1	83.1
Intern Credential Holders Properly Assigned	0.0	0.0	8.8	4.7	4205.9	1.5
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.5	23.1	32.6	17.5	11216.7	4.1
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.1	33.2	7.3	3.9	12115.8	4.4
Unknown	0.0	0.0	0.0	0.0	18854.3	6.9
Total Teaching Positions	6.5	100.0	186.5	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
Permits and Waivers	1.0
Misassignments	0.5
Vacant Positions	0.0
Total Teachers Without Credentials and Misassignments	1.5

2020-21 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21
Credentialed Teachers Authorized on a Permit or Waiver	0.0
Local Assignment Options	2.1
Total Out-of-Field Teachers	2.1

2020-21 Class Assignments

Indicator	2020-21
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	9.5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.0

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum throughout Delano Joint Union High School District are aligned to the California Content Standards and Frameworks. Instructional materials for core content areas are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

With the implementation of the new Common Core State Standards, the NGSS, and the Social Studies Standards, the district has embarked in a gradual and systemic process in adopting and purchasing any new textbooks. New textbooks have already been adopted for English Language Arts. Other core content areas, including Math, Science and Social Science are currently in exploration and development phase.

Year and month in which the data were collected	August 2021
--	-------------

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

Facilities Profile

Valley High School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Original school building were constructed in 1967. Daily inspections and ongoing maintenance ensures school facilities are kept safe, in good working condition, and provide adequate space for students and staff.

2015-2016 Campus Improvements

- *Addition of new school marquee
- *Installation of new security cameras
- *Plant trees throughout the campus
- *Add more technology in the classrooms

2016-2017 Campus Improvements

- *Added gravel pathway to back of campus for evacuation purposes
- *Installation of additional security cameras
- *Additional technology improvements in the classrooms
- *Installation of multimedia equipment in the multipurpose room

2017-2018 School Improvements

- *Remodeled of the Lobby-Reception Front Office area.
- *Repaired classroom ramps to front doors.
- *Repaired and/or replaced staff and student Restroom faucets and toilets.
- *Upgraded Room 15 Technology and installed Projector capacities.
- *Securing of perimeter fencing and entry ways.

2018-2019 School Improvements

- *Addition of 5-9 Security Cameras in key locations.
- * New sinks in student restrooms in the Multi-Purpose room
- *Ramps repaired

2019-2020 School Improvements

- *Buzz in door for security purposes.
- *Installed new cameras (8)
- *Upgraded wifi capability
- *Technology: 1 to 1 Laptops

2020-2021

Facility: Painted rails and trimmings.

Technology: New teacher laptops and student computers

COVID: washing stations, hand sanitizer dispensers in classroom, an d plexi glass dividers

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	30	25	83.33	16.67	8
Female	--	--	--	--	--
Male	25	21	84	16	9.52

2020-21 Career Technical Education Programs

Valley High School offers a variety of classes that can help supplement a particular class for a certain pathway offered at a comprehensive site. One such class is Career Readiness (STDV B3), an entry career exploration and writing class that students can receive dual enrollment college credits through Bakersfield College. Others offered through District CTE include:

- *Careers/Life Skills
- *Computer Literacy
- *Construction/District CTE
- *Health Occupation/District CTE
- *Welding/District CTE

Furthermore, Valley High School is in the exploration and development phase of possibly starting a Music Pathway, Journalism, Foods and Nutrition, etc.

Other CTE and/or elective classes that have been offered at Valley High School include:

- *Office Practice
- *Speech and Debate
- *Jazz Band
- *News Production-Journalism
- *Parent Lab
- *Parent Skills
- *Multi-Media

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	39
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	70.21
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Valley High School is strongly committed to increasing and improving Parent Engagement in line with the 8 State Priorities of the LCFF and WASC recommendations. VHS aims at providing parents with opportunities to contribute to the educational process as well as provide input into decisions affecting student learning. These opportunities can be grouped into the following categories:

- Family -- Delano students tend to come from families in which the extended family is strong and, thus, students have many adults surrounding them to support them in their education. As we describe later, one of our strategies is to take advantage of this strength by increasing parent involvement in their child's education. We meet with parents to describe the need and the programs and use parental support to increase student participation in our programs. Our Alternative Education Intervention Counselor makes it a priority to connect and communicate with parents directly, often and in a very effective way. His outreach efforts include quarterly Parent Night meetings where important information is shared on everything from careers, college, mental health resources, parenting skills, etc.
- School- In addition to the District and Site Webpage that is more user friendly, parents now have access through AERIES Parent Portal to their student's most current academic standing and progress. Not only can they check on grades but missing assignments and attendance. The District has also encouraged the use of REMIND App so teachers can inform parents of latest assignments via a simple access to SmartPhone app. Most importantly, VHS is proud of the work and role of the School Site Council in providing parents with oversight of programs and budgetary decisions. The school site council exists to bring together administration, teachers, parents, and students, and using the single school plan, to make decisions regarding the use of categorical funds. With this 2021-2022 Single School Plan, it is our highest priority to improve all processes relating to the operations of the School Site Council and the design and implementation of the Single School Plan for Student Achievement. This is the process in place that ensures that the "official" priorities for categorical funds are also the "de facto" priorities. Single School Plans and related categorical funding will support the current and ongoing efforts at building professional capacity at every level, alignment of curriculum, improving instruction, and calibrating assessments to Common Core, Content, and Next Generation Science standards. Also, support will continue toward implementation and ongoing review of scope/sequences and formative assessments (GAPS), as well as student improvement in these formative

2021-22 Opportunities for Parental Involvement

assessments (local measures), improved performance in CAASPP Smarter Balanced assessments in ELA and Math, improvement in acquisition of the English language by English Learners as measured by the ELPAC, and support for the special needs of Special Ed and at risk students.

- School Events- Valley High School provides many opportunities for parents and the community as a whole to participate as part of our Professional Learning Community. Some examples include: Safe Schools Committee meetings, ELAC (English Learner Advisory Committee) and DLAC meetings, WASC Focus Group meetings, Title I meetings, School Site Council (SSC) meetings, Academic Awards Night, Back to School Night, and ASB club/organization sponsored events. These committees and their meetings and noted events are publicized in the community newspaper (Delano Record), the school newspaper and school website, are announced through a school-wide call via Blackboard Connect Ed., and REMINDER App.

* School to Career- Valley High School students have access to a variety of programs that lead to post high school jobs. To assist with career research, the EUREKA Career Program is used. Career speakers are recruited to speak to students that have a particular job interest, assist with resume writing and other pertinent job preparation skills. Students are also given the opportunity to take the military ASVAB test. Juniors and seniors are given the opportunity to visit several community colleges, trade schools, and military recruiters' stations during the year. Our counselor meets with each graduating student prior to completion to review the My Next Move website to assist our students with transition from high school. This meeting allows the student to evaluate some career options and see what type of training or schooling is needed to meet their career goals. The newest program implemented three years ago WESTEC, a nonprofit organization, which is designed to equip people with knowledge and training to go out into the workforce. The students are participating in a two week long training provided by WESTEC. They can earn up to 9 certificates in areas such as CPR/first aid, forklift operations, and defensive driving, to name a few. The students are receiving this training at no cost to them and they will be able to inform prospective employers of their certificates when applying for jobs. This is the first of its kind in the district and the hope is it will continue to grow so more students will be able to take part in this great opportunity. New for this year is a pilot endeavor utilizing Nepris to connect students to local, regional, and national industry towards earning of CTE Certifications relative to the industry. During Back-to-School Night, student orientation, and our Student Awards Night, we make a concerted effort to announce, discuss, and explain our educational program. In addition to these events, the VHS counselor meets annually with each tenth grade student and their parents in an evening counseling session. The counselor will discuss graduation progress, college entrance requirements, elective selection, a four-year plan, and other topics needing clarification and explanation for continued educational success. Additionally, the counselor provides intervention counseling for at-risk students.

- District -The superintendent has taken the lead in securing funding for school reform and in ensuring that school reform monies augment other categorical and general fund monies. The DJUHSD sends out a quarterly newsletter to parents in an effort to keep the parents involved in the District.

* Community – Currently, we are increasing the information in the community about our programs. The community has taken an active role in volunteering for many of our programs as well as conducting fundraisers to assist our academic programs. (For the 21-22 school year, our Back to School night was a virtual experience where parents were able to login and view presentations by teachers and staff.

- A. Breast Cancer Awareness
- B. Back-to-School Night
- C. Workforce Investment Act (WIOA)
- D. Thanksgiving Can Food Drive

* Parents: Parent volunteers also participate on committees such as School Site Council, Safe School Committee, and ELAC. Parents occasionally attend, participate and assist in school functions ranging from field trips, extra curricular events, and other programs. Parents have also been instrumental in the writing documents, such as, the Safe School Plan. Parents are encouraged to get involved in Valley High School's learning community by volunteering their time, attending school events, or by sharing in the decision making process.

Volunteer Opportunities

- *Fundraising
- *Guest Speakers (Career Days)

School Advisory Groups

- *District English Learner Advisory Council
- *English Learner Advisory Council
- *School Site Council

2021-22 Opportunities for Parental Involvement

- *Safe School Committee
- *WASC Committee
- *Parent-Teacher Conferences

Each of these advisory groups is responsible for leading and evaluating the school's progress to provide a safe and effective learning environment. Parents seeking more information about becoming an active member in the school community may contact the principal's secretary at (661) 720-4181.

Valley High School provides a broad range of activities and events to support the learning process in and beyond the classroom environment. Throughout the year, staff encourage parents to attend:

- *Back to School Night
- *Career Day
- *College Night
- *Graduation Activities
- *Jazz Band Performances
- *Student Recognition Activities
- *Student Awards Night
- *Parent Workshops

School News

All school-to-home communication is provided in both English and Spanish. Through routine correspondence and special announcements, parents are kept informed on school news, student activities, schedules, policy changes, and class curriculum updates in the following formats:

- *Blackboard Connect (mass communication telephone system)
- *Cycle Reports (letters and progress reports)
- *District newsletter/Superintendent's message at www.djuhsd.org
- *School website
- *Parent Information Packet (provided upon enrollment and at the beginning of the school year)

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2018-19	School 2019-20	School 2020-21	District 2018-19	District 2019-20	District 2020-21	State 2018-19	State 2019-20	State 2020-21
Dropout Rate	18.9	19.5	9.3	2.3	2.5	2.7	9.0	8.9	9.4
Graduation Rate	69.8	78.0	88.9	95.6	95.8	94.5	84.5	84.2	83.6

2020-21 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2020-21 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	54	48	88.9
Female	22	21	95.5

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	22.56	0.00	4.38	0.02	3.47	0.20
Expulsions	3.66	0.00	0.18	0.05	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.76	1.27	2.45
Expulsions	2.98	0.25	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2021-22 School Safety Plan

The VHS Safe School Plan is a living document which is reviewed and updated continuously by administration based on staff input, school/student data, and new guidelines set forth periodically by local police and DJUHSD. Traditionally, any major updates are modified and implemented during the summer and reviewed with staff during the teacher in-service days before the start of the Fall semester. During our bi-weekly Wednesday late starts in the 1st Semester, the Safe School plan was discussed with faculty which included modifications, updates, and the reviewing of major components. The plan was also reviewed and approved by the Safe School Committee in October of 2020 and the School Site Council in October of 2020; the Safe School Plan was approved during the regular Meeting of the Board of Trustees in February of 2021. The plan is a comprehensive document that covers a wide range of possible situations of which could be summarized by the following major areas:

1. Daily supervision plan for the safety and security of students and staff.
2. Emergency disaster plans including active shooter and code red, yellow, blue and green lockdown procedures.
3. Evacuation procedures in the event of a fire, flood, chemical spill, or earthquake.
4. Crisis preparedness, management, and resolution.
5. Intervention and prevention strategies including talking to students about death, working with parents, anti-bullying, and elements of a positive school culture.
6. DJUHSD board policies and regulations.

Supervision and Safety

All staff share in the supervision of students throughout the day. As students arrive on campus in the morning and depart in the afternoon, teachers, student affairs specialist, counselor, and administration, are assigned to monitor student activity. During lunch and passing periods, administration, counseling, discipline liaison, and campus security, are strategically located throughout the campus to monitor behavior. A school resource officer is also available as needed and is shared with Delano High School. All parents and visitors are required to check in at the main office upon arrival and departure.

School Climate-School Culture - Valley High School promotes a secure learning environment that encourages mutual respect, safe and healthy relationships, dignity, and equality. Bullying and harassment are not tolerated. The district has employed policies, staff training programs, procedures, and practices to reduce and eliminate bullying and harassment as well as the means to address such incidents when they occur. Students and their parents receive information annually regarding district policies concerning anti-bullying and harassment.

Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures to include the COVID-19 pandemic, procedures for safe arrival and departure from school, sexual harassment policy, dress code policy, and bully prevention policy. The school's most current safety plan is being reviewed, updated, and shared with school staff. During this current pandemic with Covid-19, we have adopted the following healthy measures to keep all student, teachers, and community members healthy and safe.

DJUHS conducted stakeholder meetings in fall of 2019 and January-February of 2020 to review and analyze all state and local data and conduct a school level needs analysis.

My school facility is in good repair. 100%

My school involves parents in providing input in making decisions for the school/district. 100%

The school provides sufficient parent notices, invitations, and letters regarding parent involvement activities. 100%

The district/school effectively addresses attendance (during COVID-19), dropout, and graduation. 100%

The school provides alternatives to suspension for minor offenses such as disruption or defiance. 100%

Students feel safe while at school (including COVID-19 safety concerns) and students feel connected to school. 100% (2019 93%)

The school communicates with my parents regarding my engagement in distance learning instruction and academic progress. 100%

My school provides effective services or supports to address learning loss during COVID pandemic distance learning 85.70%

I have access to connectivity and a laptop or Chromebook to participate in distance learning and complete my homework 100%

Facilities Maintenance

School custodial staff and the district's maintenance department work together to ensure classrooms and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Most of Valley High School's repairs and maintenance projects are performed by the district's maintenance crew. Emergency situations are immediately resolved either by the school custodian or district maintenance staff, based upon the nature of the situation. School safety and cleanliness are the custodian's highest priority and strongly emphasized as a component of their daily routines.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	12	9	1	
Mathematics	11	6		
Science	9	4	1	
Social Science	12	3	1	

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	8	10		
Mathematics	9	8		
Science	9	4		
Social Science	6	9		

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	7	10		1
Mathematics	3	6		
Science	1	3		
Social Science	3	9		

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	94

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0
Social Worker	0
Speech/Language/Hearing Specialist	0
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$28,355.34	\$11,162.63	\$17,192.71	107,440.53
District	N/A	N/A	\$8,648.66	\$75,292
Percent Difference - School Site and District	N/A	N/A	66.1	35.2
State			\$8,444	\$92,222
Percent Difference - School Site and State	N/A	N/A	68.3	15.2

2020-21 Types of Services Funded

In addition to general state funding, Delano Joint Union High School District receives state and federal categorical funding for special programs. For the 2019-2020 school year, the district received federal, state, and local aid for the following categorical, special education, and support programs:

* LCAP Supplemental/LCAP Concentration

- Lottery: Instructional Materials
- Medi-Cal Billing Option (We did not receive revenue/reimbursements in 19-20, even though we continue to operate a program in order to continue operating a MAA program)
- Other Restricted Local: Locally Defined Grants
- Special Education IDEA, Basic Local Assistance Entitlement, Part B (Federal)

Lottery: Unrestricted

- Title I, II, III
- Title III-English Language Learner
- Carl Perkins Career and Technical Education
- Migrant Education
- Migrant MESRP (This is a pass-thru grant that we serve as the Regional Administrator for the Elementary District; we receive the revenue, but then reimburse the Elementary District based on submitted claims)
- Special Education: Project Workability I
- Special Education: Mental Health Services

Special Education Apportionment State

- CTEIG
- ESSA, School Improvement Grant
- ESSA, Title IV Part A: Student Support and Academic Enrichment Grant

CARES Coronavirus Relief Fund (CRF): Learning Loss Mitigation

CARES Elementary and Second School Emergency Relief (ESSER) Fund

CARES Governor's Emergency Education Relief (GEER) Fund: Learning Loss Mitigation

CARES State Learning Loss Mitigation Funds

SB 117 COVID-19 LEA Response Funds (State)

Valley High School funds several programs to help support academic success amongst the student body.

*Edgenuity Credit Recovery

*Concurrent Enrollment in Delano Adult School and/or Community College

**Counseling

*Extended Day Tutorial

*Home Visits

*Parent Notifications

*Parent Trainings

*Tutoring

Incentives:

*Cycle Trips

*Site-based motivational activities

*Student recognition awards assemblies

*Site-based incentives for state testing performance

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$51,291	\$54,687
Mid-Range Teacher Salary	\$73,611	\$92,222
Highest Teacher Salary	\$108,220	\$114,208
Average Principal Salary (Elementary)	\$0	\$143,647
Average Principal Salary (Middle)	\$0	\$145,785
Average Principal Salary (High)	\$149,158	\$162,322
Superintendent Salary	\$204,049	\$258,950
Percent of Budget for Teacher Salaries	28%	32%
Percent of Budget for Administrative Salaries	6%	5%

2020-21 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered	0

Professional Development

All curriculum and instructional improvement activities at Delano Joint Union High School District are aimed at building professional capacity and aligning curriculum and assessments to the California State Content Standards and Frameworks, the National Common Core Standards for Math and English, and the Next Generation Science Standards for California. District administration, school administrators, and learning directors, work as a collaborative unit to identify and select staff development programs based upon results of:

*Analysis of student performance on state standardized tests, GAPS, and the ELPAC exam

- *WASC teacher surveys
- *District and school plans
- *Collaboration of teachers and site administration

District and site funding has been allocated for ongoing professional development in Professional Learning Communities (Solution Tree), Microsoft Office 365/ OneNote/ OneClass, Illuminate, Edgenuity, EDI, Differentiated Instruction, Common Core Curriculum and Instructional Shifts, DOK, RIAP, iLit, and SDAIE instructional strategies. Valley High School is committed to continuing emphasis on staff development, especially as we increase the use of technology as a driver and implement the Common Core State Standards and the new Next Generation Science standards during the last 4 school years. In each of those 4 school years coordinated Professional Staff Development days have included district-wide 2-3 days before the start of the year and 1 day between semesters. Bi-weekly Wednesday Late Start PLC Professional Development days are also part of the efforts to keep staff up to date with latest changes and evidence based instructional strategies. Over the last several years through the TIIG program, Title I, Title II and other programs, these District efforts have accomplished the following:

Staff development has been designed to help staff work together as inter and intra-school departments to align their courses to CTE Standards, State Academic and Performance (Content) Standards in ELA and ELD, Content standards in History-Social Science, Science Standards found in the new NGSS, and Common Core State Standards, develop curriculum and assessments, and develop instructional practices that address key components of the CCSS. Staff development has as its root and final goal to maximize student learning and academic achievement. During the 18-19 and Fall of 19-20, staff met every other Wednesday morning during PLC time to desegregate data, adjust curriculum, identify instructional best practices, and review and re-write current assessments so as to better align them to standards. The PLC time also serves to help monitor students' progress, particularly in English, ELD Language Arts, Math, Science, and Social Science. Second, as we find more local evidence that particular school programs or instructional practices are effective in improving student achievement, the staff is trained in those practices and/ or programs so that implementation is broader and more consistent. Staff development activities are also based on professional needs. As we implement the NGSS and the Common Core State Standards, VHS teachers participate in site and District level cohort meetings and professional development opportunities meant to build professional capacity, calibrate assessments and curriculum, increase DOK level questions on assessments and activities, align curriculum, instruction, and assessments to the NGSS and Common Core State Standards. Particular to Valley High School are efforts at providing "alternative means" (methods, projects, pedagogy, strategies) for students to have access to a broad range of courses and the learning experiences that are intrinsically embedded. Equity for VHS students is rooted in providing students with a platform that enables them to Engage - Represent - and take Action or Expression: This is the core of the Universal Design for Learning. Allowing options in hands on activities, collaborative structures, self-assessment and reflection so as to maximize mastery of essential standards. In response to the Covid-19 pandemic, professional development became urgently important to support a shift to online and distance instruction. Our District worked with the Kern County Superintendent of Schools (KCSOS) to facilitate four virtual training sessions at the end of the Spring 2020 semester. The four training sessions included an on-boarding session and three sessions providing more in-depth training in communication tools, customizing content, and creating a new course.

Prior to the start of the 2020-21 school year, the District added two professional development days (bringing the total to five) to facilitate training for teachers and paraprofessionals to effectively use the Canvas Learning Management System and Microsoft Teams as the teaching and learning platforms. In addition to the five days dedicated to professional development, trainings have been plentiful during the fall 2020 semester and will continue throughout the spring semester. In collaboration with KCSOS, many webinar-style trainings were facilitated weekly during teacher collaboration time in both Canvas and Microsoft programs. The training series focused on Academic coaching, Literary, ELD strategies, Classroom management, distance learning pedagogy, History instructional strategies, Math instructional strategies, teaching NGSS in a virtual classroom, social emotional learning (SEL), and Special Education supports and tools.

Supplemental District Support

Delano Joint Union High School District offers supplemental training and support for new and ongoing program implementation. Selected and targeted staff development opportunities are made available for core subjects. When teachers are sent to third party sponsors for training, topics are closely focused on instructional improvement and enhancement. Teachers training activities take place throughout the school year to support districtwide concentrations and programs.

New teachers and teachers not yet fully credentialed are supported by peer coaching and extensive staff developments. Teachers new to the district participate in the New Teacher Orientation Program. Participating teachers meet frequently with school administrators and fellow teachers to gain support with classroom teaching techniques, classroom management strategies, and school procedures.

The Beginning Teacher Support and Assessment program offers comprehensive support and training for new teachers with a preliminary credential. After successful completion of the two-year BTSA training, teachers may apply for their clear teaching credential. All program participants are assigned to a Support Provider (mentor teacher) for individualized support and guidance.

Professional staff are encouraged to attend professional workshops offered by the district, professional organizations, or the county office of education. Instructional aides may receive district and site-level training based upon instructional support and program needs. Classified support staff may receive additional job-related training from district administrators.

This table displays the number of school days dedicated to staff development and continuous improvement.

Delano Joint Union High School District 2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.

2021-22 District Contact Information

District Name	Delano Joint Union High School District
Phone Number	(661) 725-4000
Superintendent	Jason Garcia

District Website Address	www.djuhsd.org

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	943	799	84.73	15.27	57.03
Female	456	398	87.28	12.72	62.60
