

AP Biology Summer Work – Mrs. Ozment

This checklist should be completed and attached to the envelope with your submission of summer work. You will need to complete all work in this packet to be turned in the first day of class. Be prepared to take a quiz on chapters 40-41 the first week of school.

Name: _____

Check here when complete:	Grade:	Assignment:
		1. Read chapter 40
		2. Complete chapter 40 reading guide
		3. Complete chapter 40 vocabulary – use book to define words; must be handwritten
		4. Read chapter 41
		5. Complete ch. 41 reading guide
		6. Complete ch. 41 Vocabulary
		7. Read ch. 42
		8. Complete ch. 42 reading guide
		9. Complete ch. 42 vocabulary

I look forward to meeting all of you! Please be aware that you have signed up for a biology course with college level content and we will move at a college level pace. AP Biology can be difficult for some students. You will be expected to analyze, interpret, and predict, rather than simply memorize information. If you have any questions about course content, difficulty, or work load, please see me ASAP in room G12.

I will be available via email starting the third week of August should you have questions:
