University of Phoenix

College of Education

Earn your Education degree and help foster the love of learning.

The field of education is constantly evolving – and as a new or current teacher, you must be equipped to successfully navigate the developments. Impact student learning with the skills you'll need to individualize instruction, address State Standards, incorporate technology into your lesson plans – and more with an education degree. You've realized your potential – and now you have the opportunity to help others realize theirs.
