Rock Painting

Wednesday August 13
5:00-6:00PM

All materials will be provided for rock painting! If the weather allows, we will head to Arbor Park. If not, we will be inside.

Small snacks provided.

This summer, we want to get teens into our building to hear what they need more of in the Ellington community. The survey results say that our teens are lonely and we want to change that by providing a space & activities where they can connect.

Bring Friends + get out of the house + come hang for an hour!

All programs are held at Ellington Youth Services for **incoming 7-12th graders** and are

Free!
