

SUFFIELD ACADEMY

Once you've downloaded the Suffield Academy app, follow these simple steps to get set up:

Welcome Screen

1

You'll see the Suffield logo and a message:

"Explore the School – Now school updates are in one place and always under control."

Tap **"Get Started"**

Language Selection

2

Choose your preferred language to view posts, events, and school information in that language.

Select your language from the list

Tap **"Next"**

Enable Notifications

3

To stay informed, we recommend allowing notifications.

Tap **"Allow Notifications"** (recommended)

Or tap **"Not Now"** if you prefer to skip this step (you can change this later in your settings)

Subscribe to News

4

You'll be prompted to subscribe to the Suffield News feed to get relevant updates.

Tap **"Subscribe"**

Or choose **"Not Now"** if you'd like to skip — you can always subscribe later
