In addition, the Association cannot file an unfair labor practice charge or seek monetary penalties against the District if the Association does not provide the link to the secure FTP server.

### 3.4 New Employee Orientation

- 3.4.1 "New employee orientation" means the process by which a newly hired public employee, whether in person, online, or through other means or mediums, is advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-

related matters.

3.4.2 The District and CSEA agree that the District will annually schedule dates/times for both the District and CSEA to participate in New Employee Orientation. To ensure compliance with AB119, the District and CSEA agree to the following procedure:

1. Annually, the District shall conduct four (4) classified employee orientation sessions.

Said release time shall not be counted against the total release time contained elsewhere in the collective bargaining agreement. The CSEA Labor Relations Representative may also attend the CSEA orientation session.
4. The orientation session shall be held on District property during the workday of the employee(s), who shall be on paid time. The orientation session shall not result in increasing the unit member's or members' daily scheduled work hours or be considered for overtime.
5. During CSEA's orientation session, no District manager or supervisor or non-unit employee shall be present.

3.4.3 The District shall include a CSEA membership application and a CSEA-provided link for an electronic application, in any employee orientation packet of District materials provided to any newly hired employee. Release time which is not used in one year may not be carried over to a subsequent contract year.
- 5.5.2 The Association President or designee shall be released for up to 240 hours in a year. This time is intended to be used at scheduled work time for the purpose of conducting union business such as: to prepare for meetings, meet with CSEA members, represent members in disciplinary meetings or grievances, and/or District officials (not for

negotiations or regularly scheduled meetings with Human Resources). This time will be taken in two (2) hour increments. Said release time shall not be accounted against additional release time contained elsewhere in the Collective Bargaining Agreement. 6.1.1 The workweek shall be five (5) consecutive days as designated by the employer for each classification assignment. Each bargaining unit employee shall be assigned a work week. A supervisor may modify an employee's work day (starting and ending times) by no more than 30 minutes without the employee's permission upon receiving the prior approval of the Superintendent. If the employee asserts that the change creates a hardship, the supervisor/manager will seek resolution to avoid hardship for the employee and will seek to make accommodations. The employee and CSEA shall receive written notice at least ten (10) working days prior to this change taking place.

6.2.1 The length of the work day shall be designated by the employer for each classified assignment. Each bargaining unit employee shall be assigned a regular minimum number of hours per day, which shall not be reduced without negotiations between the District and CSEA.

- In order to meet the needs that specific classifications fulfill for the district, it is possible that positions within these classifications may have a flexible work day schedule, meaning that depending on the time of year, specific projects or site access requirements, the supervisor may create a work schedule with adjusted start and end times. In distributing flex schedule work to employees in the

bargaining unit within each classification and job site, the District shall consider seniority within the bargaining unit and qualifications of employees necessary to do the particular task.

- These schedules must be developed by the supervisor and agreed upon with the employee ten (10) work days prior to the change in start and/or end times unless an alternate timeline is agreed upon.
  - If an employee does not want to work a flexible schedule, they will not experience any reduction in compensation or hours.
- A written agreement will be created that outlines the specific details of the schedule adjustment, including rationale, duration, and objectives for the flexible schedule [see Appendix G] and must be signed by the supervisor and employee. Notification of this agreement will be forwarded to the Association president. the agreement shall state that the unit member and/or supervisor may revoke the agreement at any time. In order to be considered for remote work, an employee must have their request approved, and a written agreement with clear expectations and monitoring requirements will be created. The written agreement form that will be utilized to outline expectations and monitoring requirements has been created mutually between the Association and District (See Appendix G). Notification of any agreements will be forwarded to the Association president.

- 6.4 Lunch Periods: Employees having an average workday of four (4) hours or more shall be entitled to an unpaid, uninterrupted lunch period of not less than one-half (1/2) hour. - 6.6.1 Employees having an average workday of four (4) hours or more and a workweek of five (5) consecutive days shall be compensated for any work required to be performed on the sixth or seventh day of the workweek at one and one-half (1 1/2) times the employee's regular hourly rate of pay for the time actually worked.
- 6.6.2 An employee having an average workday of less than four (4) hours during the workweek shall, for any work required to be performed on the seventh day of the workweek, be compensated at one and one-half (1 1/2) times the employee's regular hourly rate of pay for the time actually worked.

- 6.6.4 Voluntary Overtime
- Each July 1 a list will be established by site or department of employees that want overtime. The list will be organized by seniority and the opportunity for overtime will

rotate. The employee whose turn it is has the first right of refusal. A name will be skipped if they are not qualified for the work that needs to be done on overtime.

#### 6.6.5 Mandatory Overtime

Each July 1 the seniority list will be used by classification and site to establish who will have to do overtime when there are no volunteers. The list will rotate initially starting with the least senior employee. A name will be skipped if they are not qualified for the work that needs to be done on overtime.

#### 6.7 Compensatory Time Off

Compensatory time off shall be compensated for at time and one-half.

6.7.1 When overtime work is authorized and the employee desires compensatory time off in lieu of cash compensation, an appropriate form must be completed by the employee and approved by the immediate supervisor and the Superintendent.

6.7.3 If an employee does not take compensatory time off, they will receive cash compensation for overtime worked prior to June 30.

6.7.4 Compensatory time off cannot be accumulated from year to year.

6.8 Call-In Time: Time that an employee is required to perform unscheduled work which does not continuously precede or follow an employee's regularly scheduled assignment shall be considered Call-In Time and shall be compensated for a minimum of two (2) hours of work at the overtime rate. Time shall be computed portal to portal with mileage additional.

#### 6.9 Emergency Days

6.9.1 Employees who work on an annual or school year basis shall not lose a day of pay as result of a declared emergency day nor shall the employee be paid an additional

amount as a result of the extension of the school calendar due to the make-up of a declared emergency day.

6.9.2 Pursuant to 6.8.1 above, when any employees assigned to work less than twelve (12) months are paid for a day in which they are not required to work, as provided by Education Code Section 45203, because of an emergency day, twelve (12) month employees who work on any such day shall be granted an additional vacation day.

#### 6.10 Standby Time - Bus Drivers

6.10.1 Bus Drivers on special trips, including, but not limited to, athletic events, field trips, and extra-curricular trips, who remain on standby for the duration of the event for which the special trip is made shall be paid for all standby hours at their regular rate of pay.

Whenever any combination of driving and standby hours in a day exceeds the established workday as defined in this Article, all excess hours shall be compensated at the appropriate overtime rate based on the employee's regular rate of pay.

6.10.2 Notwithstanding any other provisions of this Agreement, if a special trip requires an overnight stay, the District shall be relieved of the obligation of payment for any hours between the time a bus driver is relieved of duties for the evening and time duties resume the following morning.

6.10.3 Any time between scheduled bus runs or special trip runs of thirty (30) minutes or less shall be paid time.

#### 6.14 Increase in Work Hours

Employees working a minimum of 30 minutes per day in excess of their part-time assignment for a period of 20 consecutive days or more have the right to meet with their immediate supervisor to discuss whether a permanent increase in the position's hours is warranted.

- The immediate supervisor shall meet with the employee within ten (10) work days of the employee's request to assess the assigned duties.
  - The supervisor may determine that an increase in work hours may be warranted which would then be addressed between the District and the Association as appropriate.
  - If the immediate supervisor determines that an adjustment to the hours is not necessary, the supervisor will meet with the employee to prioritize duties within their current work hours, or indicate whether the extra hours will continue in order to support a short-term need for a specific period of time. This will be confirmed in writing within two (2) work days after the conclusion of the meeting.

It is further understood that these requests should be made at a time when such employees can be released from duty by the District without interfering with the orderly operation of the District.

10.3.4 All personnel files shall be kept in confidence and shall be available for inspection only when necessary in the administration of the District's affairs or the

supervision of the employee. The District shall keep a log indicating the persons who have examined a personnel file as well as the date such examinations were made. The log shall be maintained in the employee's personnel file.

## 15.2 Employee Status

15.2.1 This Article shall only be applicable to a classified employee with permanent status.

15.2.2 This Article shall not apply to a probationary classified employee. The probationary period is an extension of the selection process. As such, a probationary employee may be terminated, at any time, at the sole discretion of the District, and without a right to hearing or any other provision of this Article.

## 15.3 Causes for Discipline of Permanent Employees

15.3.1 The continued employment of a permanent employee is contingent upon satisfactory performance. In addition, a permanent employee may be disciplined for just cause. Just cause includes, by illustration and not limitation, the following:

records, or any other District records.

- b. Incompetency or inefficiency in performance of the duties of his or her position.
- c. Abuse of sick leave.

- i. The conviction of a felony, the conviction of a misdemeanor involving moral turpitude, or the conviction of any sex offense or substance abuse offense made relevant by provisions of the Education Code. A plea of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction within the meaning of this section.
- j. Absence without approved leave (see Section 9 below for special provisions).

- k. Discourteous, offensive or abusive conduct or language toward the public, a pupil, or another officer or employee of the District.

- t. Unlawful retaliation against any District representative or employee, or

member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to actual or suspended violation of any state or federal law occurring on the job or directly related thereto.

15.3.2 No discipline shall be taken for any cause which arose before the employee became permanent, or for any cause which arose more than two (2) years before the date of the filing of the notice of cause unless such cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the District. Such prior cause(s), however, may be utilized in determining the appropriate level of discipline for a current cause for discipline.

#### 15.4 Procedure for Imposing Discipline on an Employee

##### 15.4.1 Notice to Employee of Tentative Recommendation of Discipline

Prior to the imposition of discipline and prior to an informal conference (Skelly Hearing), the District shall give notice to the employee of the tentative recommendation of discipline. This written tentative recommendation of discipline shall be deemed sufficient if it is:

- personally delivered;
- actually received by the employee; or
- sent to the employee by certified mail, return receipt requested, at the employee's last known address.

A copy of the Tentative Recommendation of Discipline notice will be sent to the Labor Relations Representative and the CSEA President at the same time it is sent to the bargaining unit member.

##### 15.4.2 Investigation

All employees covered by this Article have a duty to cooperate with the Superintendent or his designee who is conducting an investigation to discipline an employee under this Article.

#### 15.4.3 Contents of Tentative Recommendation of Discipline

The contents of the written recommendation shall include, but need not be limited to, the following:

- A statement, in ordinary and concise language, of the specific acts and omissions upon which the discipline is based;
- A statement of the cause, or causes, for the potential discipline;
- If it is claimed that the employee has violated a rule or regulation of the District, a statement of the rule or regulation;
- A statement of the discipline proposed, including beginning and ending date(s), if appropriate;
- A statement advising the employee of the right to respond to the tentative recommendation orally or in writing to the appointing power during the informal conference;
- A statement that the employee may waive the informal conference and file a request for a formal hearing before the Governing Board directly with the Superintendent or his or her designee within five (5) days after receipt of the tentative recommendation of discipline by the employee or within ten (10) days of mailing tentative recommendation by certified mail, whichever is less;
- A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges;
- A statement that after the informal conference the employee may file a

request for a formal hearing before the Governing Board directly with the Superintendent or his or her designee within five (5) days after receipt of a Notice of Disciplinary Action or within ten (10) days of mailing Notice by certified mail, whichever is less; and

- A statement that if the employee does not respond pursuant to above, the District will impose discipline on the employee, and the employee waives all rights to appeal or request any hearing.

#### 15.4.4 Informal Conference (Skelly Hearing).

- a. All employees shall have the right to an informal conference with the Superintendent or his or her designee, who shall have the authority to confirm, rescind or modify the proposed discipline.
- b. All employees shall also have the right to a representative of his or her choice at the informal conference.
- c. If, after the informal conference, the Superintendent or his or her designee determines that the employee should be subject to discipline, the employee shall be served with a Notice of Disciplinary Action.

### 15.5 Employment Status Pending Formal Hearing

15.5.1 Except as set forth in paragraph 15.5.2 below, an employee who requests a formal hearing regarding a tentative recommendation of discipline or a Notice of Disciplinary Action shall remain on active duty status and shall remain responsible for fulfilling the duties of his or her position pending the hearing. Active duty may, at the District's discretion, include a special or changed assignment.

15.5.2 After compliance with the procedure outlined above (Sections 15.1-15.4), if the District recommends dismissal, the employee may be suspended (with or without

pay) pending a hearing.

#### 15.6 Representation

The employee may request the presence of a representative at any meeting scheduled by an administrator where the subject of investigative questioning may lead to discipline.

#### 15.7 Formal Hearing Before the Governing Board

15.7.1 If the employee served with a Notice of Disciplinary Action files a timely request for hearing, the Governing Board may conduct such hearing itself or may appoint a designee to conduct such a hearing.

- Such designee may include, but is not limited to, a hearing officer (e.g. an Administrative Law Judge obtained through the Office of Administrative Hearing).
- Any decisions rendered by such a designee shall be advisory to the Board.

15.7.2 If an employee requests a formal hearing and subsequently fails to appear at the hearing, the employee shall be deemed to have waived any right to participate or be represented at the hearing. In which case, action may be taken without further notice to the employee, based upon tentative recommendation for discipline and Notice of Disciplinary Action prepared by the Superintendent or his or her designee, and previously served upon the employee.

15.7.3 The hearing shall be conducted in closed session unless the employee requests a public hearing. The Board or its designee may deliberate in the absence of the employee and the District administration.

15.7.4 At such hearing, the employee shall be entitled to appear personally, to be represented by a person of his or her choice, to introduce relevant evidence on his or her behalf, to cross-examine witnesses and to challenge evidence presented by the

District.

15.7.5 The Governing Board's determination as to the level of discipline shall be conclusive.

All decisions rendered by the Board are final.

#### 15.8 Advisory Arbitration

Commencing the 2019-20 school year, the Association may opt to have disciplinary action determined by advisory arbitration in lieu of a hearing before the Governing Board, as stated in 15.7.

The following process will be used in advisory arbitration:

15.8.1 The District shall appoint a designee to conduct such a hearing.

- Such designee may include, but is not limited to, a hearing officer (e.g. an Administrative Law Judge obtained through the Office of Administrative Hearing). Such designee shall not be a District employee.
- Any decisions rendered by such a designee shall be advisory to the Board. The Board would determine in closed session any final decision.
- The District will solely bear the cost of the hearing officer.
- If an employee requests advisory arbitration and subsequently fails to appear at the hearing, the employee shall be deemed to have waived any right to participate or be represented at the hearing. In which case, action may be taken without further notice to the employee, based upon tentative recommendation for discipline and Notice of Disciplinary Action prepared by the Superintendent or his or her designee, and previously served upon the employee.

The procedure entitled "Administrative Adjudication" commencing with Government Code 1150 shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.

## 15.9 General Provisions

15.9.1 Suspension pursuant to this Article shall not reduce or deprive the employee of either seniority or entitlement to the required District contribution for health benefits.

15.9.2 Nothing in this Article shall limit the District's right to institute dismissal and/or immediate suspension and mandatory leave of absence proceedings as set forth in the California Education Code. Further, discipline under this Article shall not be regarded as a precondition of any proceedings under the California Education Code.

15.9.3 An employee may settle with the District at any time. The terms of such a settlement shall be reduced to writing. An employee offered a disciplinary settlement by the District shall, if requested, be granted a reasonable amount of time to have the proposed settlement reviewed by his or her chosen representative prior to signing it.

15.9.4 All proceedings involving pending discipline shall be kept as confidential.

## 15.10 Absence Without Leave (Job Abandonment)

### 15.10.1 Automatic Resignation

Absence without approved leave (without notification to the District) for more than five (5) consecutive workdays is considered an automatic resignation as of the last day on which the employee actually rendered service. Any absences without approved leave, for five (5) days or less, may still subject the employee to discipline up to and including termination.

### 15.10.2 Notice

The District shall serve notice of the automatic resignation on the employee. Such notice shall be served, by certified mail or personal service, at the employee's last known address.

### 15.10.3 Reinstatement

An employee may apply for reinstatement to his or her position under the following conditions:

- The employee must seek reinstatement, in writing, within fifteen (15) calendar days of receipt of the notice of automatic resignation. The employee will only be considered for reinstatement if he or she makes a reasonable explanation of his or her absence which is acceptable to the District.
- If the employee does not receive the notice of automatic resignation, the employee must seek reinstatement within thirty (30) calendar days of the date on which he or she rendered service. The employee will only be considered for reinstatement if he or she makes an explanation of his or her absence which is acceptable to the District.
- If the employee makes an explanation of his or her absence which is acceptable to the District, the employee must be able to return to the full range of his or her duties on the date on which he or she seeks reinstatement, OR must have prior approval of a continued leave of absence from the Superintendent or his or her Designee.
- The employee who is reinstated shall not be compensated for the period of his or her absence or separation and shall not accrue seniority or entitlement to any other benefit for his or her period of absence or separation.

## ARTICLE XVI

### LAYOFF PROCEDURES

#### 16.1 Layoff of Classified Employees

- 16.1.1 A layoff is an involuntary separation of a permanent classified employee from the classified service. Layoff may occur due to a lack of work (including reduction or elimination of services) or lack of funds (including the expiration of a specially funded program).
- a. In the event of a proposed reduction in hours/work year for lack of work or lack of funds, the District and the Association shall meet and negotiate, upon request of either party, the decision and the effects of the reduction of hours/work year.
  - b. The District shall notify the Association prior to any planned layoff and the District and Association agree to meet and negotiate the effects of any layoffs to unit members in accord with the provisions of Chapter 16.7, Section 3540-49 of the Government code of the State of California.

#### 16.2 Order of Layoff

- 16.2.1 Order of layoff shall be determined in accordance with the provisions of applicable law. (Ed. Code section 45308.)
- 16.2.2 Whenever a permanent classified employee is laid off, the order of layoff within a classification shall be determined by seniority. The employee who has been employed the shortest time in the classification and higher classifications shall be laid off first.

- 16.2.3 For purpose of this Article, seniority shall be determined by "date of hire within classification." Date of hire is defined as the first day in paid status as a probationary or permanent employee in a classified position. Service in a summer school assignment shall not be used to determine date of hire for the purpose of calculating seniority. If two or more employees subject to layoff have equal seniority within classification, the employee to receive layoff notice shall be determined by lot.
- 16.2.4 The District shall maintain a record of seniority within classifications for determining layoff and displacement rights, if any, including seniority for all classifications in which affected employees have served. Upon request, the seniority record shall be made available to the bargaining unit representative within 10 work days, and twice annually on September 30 and March 1. Employees may bring to the District's attention any objection to their seniority record on or before February 1st of each year, after which the District may reasonably rely upon the published seniority records for purposes of determining the order of layoff and displacement rights, if any.
- 16.2.5 Bus Driver - in order to break ties in seniority, for drivers with the same seniority date in that classification, the original date of school bus driver certification will be used. It is the responsibility of the driver to provide proof of certification.

### 16.3 Notice of Layoff

- 16.3.1 Notice of layoff shall be provided in accordance with the provisions of applicable law. (Ed. Code section 45117.)

- 16.3.2 When the District will lay off a classified employee for the ensuing year due to lack of work or a lack of funds, a written preliminary notice of layoff must be served on the employee no later than March 15, except as provided by law.
- 16.3.3 The notice shall be personally served or sent by certified mail to affected employees at their last address on file with the District. Copies of notices shall be made available to the Association Chapter President and Labor Relations Representative.
- 16.3.4 The notice shall contain:
- a. The reason for the layoff;
  - b. The effective date of layoff, and a copy of this Article.
  - c. The employee's displacement rights, if any;
  - d. The employee's reemployment rights; and
  - e. The employee's hearing rights, if the layoff is not due to the expiration of a specially funded program.

#### 16.4 Voluntary Demotion or Voluntary Reduction in Hours

- 16.4.1 An employee who takes a voluntary demotion or voluntary reduction in assigned time in lieu of layoff shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of 24 months, beyond the 39-month rehire list.
- 16.4.2 As vacant positions in their former classification with hours and pay equivalent to their former position become available, affected employees shall be offered the option of accepting the vacant position. When an employee refuses to accept the offer, the district will offer the position to the next employee on the reemployment list.

- 16.4.3 The District shall keep a valid reemployment list and affected employees shall be ranked on that list in accordance with their proper seniority.

#### 16.5 Reemployment Rights upon Layoff

- 16.5.1 Employees who have been laid off because of lack of work or lack of funds are eligible for reemployment for up to 39 months and shall be re-employed in preference to new applicants.
- 16.5.2 Reemployment rights shall be in accordance with the provisions of Education Code section 45298. Offers of re-employment shall be made in reverse order of layoff, within classification, as vacancies occur.
- 16.5.3 Seniority earned within the classification and higher classifications prior to the effective date of layoff shall be reinstated to the employee who is subsequently re-employed within the 39-month period.

An employee displaced by bumping into an equal or lower classification in lieu of layoff shall be offered, by seniority, reinstatement to their former classification, for a period of not less than thirty nine (39) months, as vacancies become available.

- 16.5.4 Laid off employees are responsible for providing the District with their current home mailing address, personal email address, and/or cell phone number. An employee who is laid off and becomes eligible for reemployment in a prior classification shall be notified in writing that is served by email and certified U.S. mail, addressed to the last known address on file with the Human Resources Department. Such employees shall have ten (10) work days from the date of service to respond to the offer of reemployment.

- 16.5.4.1 Should the noticed employee not accept the offer of reemployment for a position equivalent in pay and hours to the position from which they were laid off, the employee may waive the right to reemployment for up to one school year while retaining their position on the reemployment list. If the employee does not respond, the position will be offered to the next employee on the reemployment list.
- 16.5.5 Upon acceptance of reemployment, the employee shall have ten (10) workdays to report for work unless the District agrees to an extension of the reporting date. Such extension shall be solely at the discretion of the District. An employee who fails to timely report to work following acceptance of the position offered shall lose the offer. The Position will then be offered to the next employee on the reemployment list.
- 16.5.6 A permanent employee who is laid off and is subsequently re-employed shall retain that seniority earned prior to the effective date of the layoff.
- 16.5.7 Employees returning from layoff to a lower classification or with reduced hours shall receive all rights of this section.
- 16.5.8 An employee who elects separation in lieu of either bumping or assignment into a lower classification shall maintain their re-employment rights as defined under this Article.

## 16.6 Displacement Rights

- 16.6.1 A permanent employee laid off in their present classification may displace a junior employee in an equal or lower classification in which such senior employee to be laid off has previously served and gained permanency. Such displacement shall be

based upon the employee's seniority in the equal or lower classification in which they are displacing a junior employee, plus higher classifications.

16.6.2 The District and Association agree that partial displacement should be avoided. An employee who elects to exercise displacement rights may displace the least senior employee within the equal or lower classification, in the following order:

- a. displace an employee that has a greater number of work hours and/or work days. (The senior employee is required to accept the additional work hours and/or work days.) If none exist, or if the employee does not accept the position with additional work hours and/or work days, then;
- b. displace an employee with the same number of hours and same number of work days. If none, then;
- c. displace an employee with the next lower number of hours and/or work days.

16.6.3 An employee displaced as a result of being bumped shall have the same bumping rights as stated in paragraph 16.6.1 and 16.6.2 above and such other rights as granted in this Article.

## 16.7 Election of Retirement in Lieu of Layoff

16.7.1 Pursuant to Education Code section 45115, any employee who was subject to layoff for lack of work or lack of funds and who elected to retire with the California Public Employees Retirement System (CalPERS) shall be placed on the 39-month reemployment list. The District shall notify the CalPERS of the fact that retirement was due to layoff for lack of work or lack of funds.

- 16.7.2 If the employee is subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy until CalPERS has properly processed their request for reinstatement from retirement.

#### 16.8 Specially Funded Program Layoff

When the District will lay off a classified employee due to the expiration of a specially funded program, a written notice of layoff must be served on the employee not less than 60 days prior to the effective date of their layoff informing them of their layoff date and their displacement rights, if any, and reemployment rights.

#### 16.9 Miscellaneous

- 16.9.1 Sick leave earned and unused at the time of separation from employment shall be restored upon re-employment.
- 16.9.2 Sick leave credit earned at one rate while in an employed status and unused at the time the hours in paid status are reduced, shall not be reduced because the employee subsequently is assigned fewer hours.
- 16.9.3 Employees laid off while on paid leave shall retain their employee benefits until the effective date of layoff.
- 16.9.4 Vacation time earned and unused at the time of layoff shall be computed and paid off with the final salary warrant.
- 16.9.5 For computation of credit toward longevity pay rate and additional vacation, time separated and on a re-employment list shall not be counted. However, credit for these purposes earned prior to separation will be restored upon re-employment.
- 16.9.6 When a vacancy occurs and there are no employees on the reemployment list

for that particular classification, a laid off employee from another classification, in which the employee meets the minimum qualifications (as determined by the District) in the Notice of the Job Position, shall be given preference over outside candidates.

- a. A permanent or probationary employee who is to be laid off, shall be offered any temporary (substitute or short-term) position available at that time for which the employee is qualified (as determined by the District). Reemployment rights shall not be affected.
- b. A permanent or probationary employee who is on the reemployment list will be given first consideration, before non–bargaining unit employees, for any substitute or short-term position available for which they are qualified (as determined by the District). The District and the Association agree that the employee shall be responsible to apply for substitute positions.

## ARTICLE XVII

### CLASSIFICATION AND RECLASSIFICATION

#### 17.1 Classification:

Each position in the classified service shall have a designated title, a regular minimum number of assigned hours per day, days per week, months per year, a specific statement of duties required to be performed by the employees in each such position, and the regular monthly salary ranges for each such position. New classifications may need to be developed throughout the school year. In the event that this need is identified as a result of the reclassification process, the parties agree to use the job description review committee process to develop those potential new classifications.

#### 17.2 Reclassification:

Moving an employee to a classification from their original placement. This is done to meet either new job assignments outside of their original classification, or to meet the evolving change in the original job classification.

#### 17.3 Reclassification Requirements:

An employee, the supervisor of an employee, the District, or the Association may petition for a reclassification. Reclassification of any employee shall be negotiated and subject to mutual written agreement between the District and the Association.

#### 17.4 Reclassification Procedure:

When requesting reclassification a "Petition for Re-Classification" form must be submitted to the Human Resources Department between November 1<sup>st</sup> and January 31<sup>st</sup> of each year. After reviewing the petition for reclassification the CSEA/NUSD negotiation team will forward recommendations to the Superintendent or designee by March 31. The recommendation findings will be forwarded to the petitioner by April 15.

17.5 Components and Provision of Recommendation:

The District and the Association will evaluate the petition by considering the following:

- a. The level and nature of the duties and responsibilities the employee is regularly required to perform which are not covered by their job description.
- b. How the employee came to be assigned duties and responsibilities not covered by their job description.
- c. Comparison of the employee's current job description duties and the proposed job description duties.
- d. Information provided by the employee and the employee's supervisor.

17.6 Reclassification Appeal:

If the petition for reclassification is denied, the submitting party may ask in writing for a review. Requests for review will be forwarded to a review committee. The request for review must be submitted by May 15.

17.7 Review Committee:

The review committee shall consist of no less than 3 members selected from the CSEA/District negotiating team. The committee shall conduct a reclassification review which may include:

- a. Interview with the individuals, their supervisors, and persons serving in similar positions.
- b. Review of individual job description petition and petitions prepared by individuals serving in similar positions.
- c. A job audit.

Findings from the review committee shall be forwarded to the Superintendent or designee in writing. The Superintendent or designee is responsible for written notification to all involved parties the findings of the review committee.

17.8 Recommendation:

When a petition has been recommended for reclassification it shall be forwarded to the Superintendent for presentation to the Board. The final decision on any reclassification shall rest with the Board. The Superintendent or designee is responsible to notify the employee in writing of the board action.

17.9 Effective Date:

The effective date of any reclassification decision by the Board shall be retroactive to March 31. The Board has the discretion to determine that the effective date of a reclassification decision can be earlier if they so determine.

17.10 Reclassification Increase In Pay:

Bargaining unit members reclassified to a higher classification will be placed on a step that shall give them at least a five percent (5%) or higher increase over their former step.

17.11 Job Description Review Committee

The District and CSEA have mutual interests in reviewing Job Descriptions for Classified Employees on a systematic basis. The Job Description Review Committee shall be composed of three bargaining unit and three district representatives and shall meet at a mutually agreed upon time.

Annually, the Job Description Review Committee shall determine three to five (3 to 5) job descriptions for review. These job descriptions shall be mutually determined.

- Annually but no later than April 1st of each school year, the committee shall complete a draft rewrite or development of the job descriptions identified by the process above.

These shall be submitted to the current employees in the positions affected as well as to the supervisors of these employees for comment and input if applicable.

- The Job Descriptions Review Committee shall meet, compile the responses from the current employees in the positions affected and supervisors of these employees and consider their suggestions for the job descriptions under review.
- The committee will make any recommended adjustments prior to June 30.
- The committee will submit to the respective bargaining teams draft recommendations for any changes.
- Committee recommendations for a change in the job description or creation of a new job description shall be subject to negotiation between CSEA and the District.
- While the purpose of this process is not to adjust salary placement, if the committee determines that a particular classification would be more competitive with surrounding district salaries for like positions, the committee may recommend a salary adjustment to the Superintendent or designee for consideration.
- An agreement for changes in a job description or creation of a new job description will be ratified by CSEA and brought to the NUSD Board of Trustees for approval.

## ARTICLE XVIII

### GRIEVANCE PROCEDURE

- 18.1 Definitions: For the purpose of this Agreement, the term "grievance" shall be defined as an alleged violation of the expressed written terms of this contract.
- 18.1.1 An individual employee may file a grievance.
- 18.1.2 By mutual agreement between the grievants and the District, two (2) or more similar/identical grievances may be combined into a single group grievance for purposes of processing.
- 18.1.3 The Association may file grievances.
- 18.1.4 Day: A "working day" is any day which the central administrative office of the District is open for business with the public.
- 18.1.5 Immediate Supervisor: The "immediate supervisor" is the administrator that has provided direction that the employee believes is grievable.
- 18.2 Procedure: Step I - Using the Grievance Form (Appendix E), the grievance must be filed at Level I within twenty (20) working days after occurrence of the events of circumstances which caused the grievance unless the grievant did not reasonably know of the above events or circumstances prior to the expiration of the twenty (20) working days. If a grievant believes that cause exists for a grievance, he/she shall contact the immediate supervisor alone, or with, his/her representative, in an attempt to settle the matter. The grievant shall relay to the immediate supervisor the facts on which the grievance is based, the article of the Agreement alleged to have been violated, and the requested remedy. The immediate supervisor shall have ten (10) working days to respond in writing to the informal meeting. The response will be sent to the Grievant, the CSEA Chapter President and the CSEA Labor Relations Representative.

18.3 Step II - If the grievance is not settled satisfactorily at Step I, it may be appealed to the Superintendent within ten (10) working days of the receipt of Step I answer using the Grievance Form (Appendix E). The request shall include a copy of the grievance, the decisions rendered, and a clear, concise statement of the reason for the appeal. Within ten (10) working days of receipt of the appeal from Step I, the Superintendent or his designee shall schedule a meeting. CSEA or the District may request that other representatives participate in the meeting. Either party may request that other employees be called as witnesses whose testimony is relevant to the grievance. A written disposition of the grievance shall be given by the Superintendent to the CSEA Representative if involved and the grievant within ten (10) working days following the Conference.

18.4 Step III – If the Step II grievance answer is not satisfactory, the Grievant or the Association may proceed to mediation. The Grievant or the Association shall serve the District with a written mediation notice within ten (10) working days following service of the Step II grievance answer. Upon receipt of the mediation notice, the parties (Grievant or Association, the District) shall request that the State Mediation and Conciliation Service appoint a mediator to assist in the resolution of the grievance. It is the parties' understanding that such mediators are provided at no cost to the parties, however, if costs of the services of the mediator are charged (including but not limited to per diem expenses, travel and subsistence expenses), such costs will be borne equally by the District and Association.

18.4.1 Mediation shall be limited to one (1) day in duration. Upon mutual agreement of the parties, however, the duration of any mediation session may be extended beyond one (1) day.

18.4.2 If the grievance is not resolved through mediation in Step III, the Association may, within ten (10) working days after the conclusion of the mediation, state in writing

that the grievance be submitted to Step IV.

- 18.5 Step IV - If the third step grievance answer is not satisfactory, the grievance may be appealed to the Governing Board by notifying the Superintendent, in writing, within ten (10) working days after receipt of the Step III answer. The request shall include a copy of the grievance, the decisions rendered, and a clear, concise statement of the reason for the appeal. At the first regularly scheduled Board meeting following submission of the written appeal, the grievance may be presented to the Governing Board in, at the grievant's option, either closed or public session, provided the written appeal has been made at least ten (10) working days prior to the meeting.
- 18.6 Each party shall be provided a full opportunity to present its case. The grievance hearing need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence upon which responsible parties are accustomed to in the conduct of serious affairs. However, no decision shall be based solely upon hearsay evidence. Within ten (10) working days following the hearing the Board shall issue a written decision including findings of fact and interpretation of the Agreement leading to its decision.
- 18.7 The Board's decision will be the final step of the grievance process.
- 18.8 If the answer is not forthcoming within the time limits established in the grievance procedure, the moving party may process the grievance to the next higher step of the grievance procedure. However, by mutual agreement, the grievant and applicable representatives of the parties may extend the time limit for a grievance for a specified period. If no answer to a grievance is forthcoming from the District within the appropriate time limits and no mutual agreement to extend the time limit in writing has been made, then the grievance will

automatically proceed to the next higher step.

- 18.9 The CSEA President and the CSEA Representative shall have the authority to settle grievances on behalf of and with the consent of the aggrieved party (ies).
- 18.10 The aggrieved party shall be entitled to reasonable release time to process a grievance during normal working hours.
- 18.11 An employee covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of the CSEA as long as the adjustment is not inconsistent with the terms of this Agreement. The exclusive representative shall be provided copies of any grievances filed by employees directly and any responses by the District. Prior to any resolution of any grievance the exclusive representative shall be provided with a copy of the proposed decision for review. Any disagreement between the parties on whether or not the settlement is inconsistent with the terms of this Agreement shall be subject to the grievance procedure commencing at Step II. CSEA shall not be liable for any costs incurred by any employee who elects to represent himself/herself in the grievance procedure. ### SALARIES

#### 19.1 For the 2025-2026 school year:

The parties agree to the salary schedule in Appendix A effective July 1, 2025.

- This schedule establishes a new minimum wage of \$18.30 per hour at the beginning of the salary schedule.
- In addition, this schedule reflects accelerating the top salary being earned at 10 years instead of 19 years.
- The parties agree to make this adjustment four years in advance of the State of California's increased minimum wage requirement in order to provide additional benefit and continuity to our members.
- For the purpose of addressing Section 19.2, the estimated cost of making this adjustment (5.92%) will be included in the total amount of ongoing new compensation for this bargaining unit.
- Upon ratification of this Tentative Agreement, the salary grades of all bargaining unit members' job descriptions will be revised to reflect the new salary schedule structure.

The parties agree to a one-time, off-salary schedule payment for unit members employed by the District as of September 1, 2025. This one-time payment will be paid on the October 2025 pay warrant for employees whose years of service as of September 1, 2025 is:

- Less than 10 years of service - two hundred fifty dollars (\$250.00)
- 10 - 14.99 years of service - five hundred dollars (\$500.00)
- 15 plus years of service - one thousand dollars (\$1,000.00)

Bargaining unit members shall be entitled to longevity pay in addition to their base pay which is intended to be pensionable special compensation pursuant to Title 2, California Code of

Regulations, Sections 571 (classic members) and 571.1 (new members). This longevity pay, computed from the date of hire, shall be paid as follows:

After 10 years of continuous service	2.0% (on the base salary)
After 15 years of continuous service	4.0% (on the base salary)
After 20 years of continuous service	6.5% (on the base salary)
After 25 years of continuous service	9.5% (on the base salary)

19.1.1 All hourly employees will be paid on an annualized basis. In an annualized pay system the employee's expected work year (number of days and regular hours) are calculated for the year. Paid holidays and paid vacation days are added to the expected work year total above. This new total is divided by the number of pay checks the employee will get (usually 10, 11, or 12 checks). This will determine how much the employee's check will be. Each check will be the same amount every month unless they were docked pay or worked extra hours. If they were docked pay or worked extra hours, their check would be adjusted the following month. An advantage of annualized pay is that the employee can plan on how much their check will be every month. Their check will not change because there were fewer workdays in the pay period or school was closed for two weeks around Christmas.

19.1.2 Underpayment

Whenever it is determined that an error has been made in the calculation or reporting of any classified employee's payroll or in the payment of any classified employee's salary resulting in an underpayment, the appointing authority shall within five (5) working days following such determination provide the employee with a statement in writing of the correction and payment drawn against any available funds.

### 19.1.3 Overpayment

Whenever it is determined that an error has been made in the calculation or reporting in any classified employee's payroll or in the payment of any classified employee's salary resulting in an overpayment, the appointing authority shall within five (5) working days following such determination, notify the employee in writing, the nature of the overpayment, the amount, and repayment options available. If an employee recognizes an error in their pay check they should notify the payroll department.

19.1.4 If excess monies are paid or advanced to an employee, or monies are owed to the District for any reason, the employee is liable and responsible for repayment of the monies owed in the manner prescribed below:

19.1.4.1 The District shall notify the employee in writing of the amount and nature of the overpayment and repayment options available. The employee may agree to a repayment plan as outlined in the notification letter, by initialing said plan, signing the original letter, and returning the letter to the payroll department. This notification shall be given to the employee not less than thirty (30) days prior to the potential deduction of the amount owed from the employee's pay check. CSEA shall receive notification at the same time the employee is notified of the need for repayment. The repayment plan options will consist of:

- a) The employee agrees to pay the debt owed in full by deducting the agreed amount from the next regular pay check.
- b) An employee can repay at a rate larger than 5% of their net pay check.
- c) Repayment to begin from the next regular pay check by deducting an amount equal to five percent (5%) of the employee's net pay

check until the debt is paid in full.

- d) In cases of hardship to the employee, the employee may request a meeting to discuss other options that may be available.

- 19.1.5 If an employee fails to respond to the notification letter, the Director of Financial Services or designee shall notify CSEA and a meeting of the parties will be arranged to resolve the issue.
- 19.1.6 If the employee disputes the debt, information regarding the dispute shall be submitted in writing within ten (10) working days of notification to the Director of Financial Services or designee for consideration. The Director or designee shall in turn make a determination regarding the dispute within ten (10) working days of receipt of the employee's written notice of dispute.
- 19.1.7 If the employee disputes the findings of the Director of Financial Services or the designee, the District shall notify CSEA and a meeting of the parties shall be set to negotiate the dispute. The employee may bring representation to the meeting.
- 19.1.8 Should the negotiation of the dispute end without mutual agreement between the District and the employee, in no event, shall the District proceed with deduction of funds from the employee's pay check until it is agreed to by the employee, or ordered by the court and/or law enforcement agency.
- 19.1.9 The District shall be limited by the applicable California statutes as to the time period for recovery of debts owed by employees.
- 19.1.10 In all cases, neither the District nor the employee shall be precluded from pursuing legally constituted methods for resolution of a dispute regarding the

debt.

19.2 When CSEA settles with the District prior to any other bargaining unit for a contract year, the District will grant the same percentage any other bargaining unit negotiates to CSEA less what was already negotiated by CSEA. This compensation is defined as the total amount of new, ongoing expended for that bargaining unit. Exceptions are any revenue sources mandated by the State or Federal government exclusively for certificated staff.

19.3 Working Out Of Class

An employee who works out of class shall be paid at their regular step and range unless they are working out of class in a higher class and then they will be paid at their regular step in the higher range classification. The employee must receive prior written authorization from the site administrator/supervisor before working out of class.

19.4 Member Travel

Members who may be required to use their own auto in performance of their duties shall be reimbursed at a rate in accordance with the Internal Revenue Service (IRS) mileage reimbursement rate. Reimbursement for mileage will be for miles actually driven and must be approved in advance by the member's administrator or designee.

19.5 Interpreting and Translations

19.5.1 Eligible employees designated at each site (maximum of 20 district wide) shall receive a bilingual/ biliterate stipend which shall be 5% of the employee base pay for employees using bilingual skills upon designation by their Principal/Supervisor. Classifications designated by the job description as bilingual shall not be eligible. CSEA and staff from the CAO's office will review the number designated annually. District staff will then determine if there is a need to adjust based on site

demographics. If a person is currently receiving a bilingual/biliterate stipend at their work location, upon accepting a position at another work location, they are not guaranteed the stipend if the stipend positions are already filled at their new work location.

19.5.2 Employees will be designated and submitted to the human resources department each year by the site administrator before August 30th. In the event there are multiple employees interested in and qualified for a position at their work location, then the selection will be made based upon date of hire. A list of the designated employees will be made available to the CSEA President no later than September 30th of each school year.

19.5.3 If more than one designee per work location is needed, a request will be brought to a CSEA – NUSD bargaining meeting for approval.

19.5.4 When an employee is needed to interpret at meetings or translate materials which are not part of their job duties, they will be required to pass a proficiency test administered by the District. Upon approval, the employee shall be compensated at an hourly rate of thirty dollars (\$30) per hour. These services should not interfere with the employees' work hours or job duties.

#### 19.6 Classified School Summer Assistance Program ("CSESAP")

The District agrees to participate in the Classified School Summer Assistance Program as per the terms & conditions of Appendix F of the Collective Bargaining Agreement.

#### 19.7 Stipend for Bargaining Unit Members with a Master's Degree

Beginning in the 2025-26 school year, bargaining unit members who have successfully completed a Master's Degree program from an accredited institution will be eligible for a one-thousand dollar (\$1,000.00) stipend, which will be paid annually on the October pay warrant. Using the District's process, the unit member must provide proof of degree completion and official transcripts no later than September 1st. Members do not need to submit proof of their eligibility annually thereafter.

The District shall establish bus route packages in such a manner so as to maximize the hours available for bidding while still providing for efficient operations of the department. The Director of Transportation or designee may modify the actual routes driven at any time during the school year. Such a modification shall not result in a decrease in the number of hours of any regularly scheduled driver.

21.8.3 Drivers shall bid for bus routes by seniority. Route bids shall remain in effect until the next annual bid meeting. Seniority shall be determined solely by length of service. The length of service shall be calculated by date of hire within the classification. Employees who voluntarily terminate their employment with the District will establish a new date of hire when re-employed with the District, for bidding purposes only. If two or more employees have the same date of hire within the classification, the determination as to seniority, for bidding purposes only, shall be determined by the date and time of issuance of their school bus driving certificate.

All matters or subjects not covered have been satisfactorily adjusted, compromised, or waived by the parties for the life of this Agreement.
- 24.2 This contract is subject to alteration only by a written agreement between the Association and the District. The waiver of any breach, term, or condition of the agreement by either party shall not constitute a precedent in the future enforcement of its terms and conditions. The District shall deal with all matters not expressly covered by this contract through the exercise of its management rights.
- 24.3 The District retains the right to make, modify, and enforce reasonable rules and procedures not inconsistent with this Agreement.
- 24.4 Items within this Agreement requiring clarification may be subject to negotiation during the period of this Agreement upon the request and mutual agreement of both parties.
- 24.5 Any and all matters not expressly covered by this contract which fall within the scope of representation as defined by the Government Code, shall be subject to negotiations between the Association and the District.

## ARTICLE XXV

The District reserves the right to enable community members, students and parents to support the educational program and environment for students, as long as the work performed does not displace a bargaining unit member nor allow the District to use volunteers in lieu of normal employee requirements.

## ARTICLE XXVII

### DISRUPTION OF DISTRICT OPERATIONS

#### 27.1 Purpose and Intent

The parties acknowledge that recent events have resulted in emergency closures and disruptions of District Operations. During such periods, the Parties recognize the need to provide a safe learning and working environment.

#### 27.2 Scope

The closures and/or disruptions anticipated herein, include war, terrorism or threats of terrorism, civil disorder, natural disasters (i.e. fire/smoke, flood), disease or medical epidemics or outbreaks, pandemics or other emergencies.

27.3 The actions authorized herein acknowledge the evolving nature of federal, state, and local orders impacting district operations that arise as a result of emergency closures and disruptions. The District will work closely with the appropriate governmental agencies who may provide guidelines for things like appropriate safety protocols and other legislation that may be enacted.

27.4 In the event of the closure of any district facility or curtailment of operations in response to an emergency, unit members shall not suffer a loss of pay during the period of such evacuation but shall remain available for immediate return to work after clearance for return to the work station for the remainder of work shifts.

#### 27.5 Continued Salary and Benefits

In the event any District facility must be closed, or any District operations are curtailed due to government order or in response to an emergency as ordered by the Superintendent, bargaining unit employees will not suffer any loss of pay or benefits

relative to their regular schedules for the period of closure or curtailment, in alignment with Section 27.6 below regarding alternative duties. This section does not prohibit the district from conducting a reduction in force in accordance with appropriate California laws and timelines.

#### 27.6 Alternative Duties

A bargaining unit member will continue to receive pay and benefits provided the bargaining unit member is ready, able, and willing to perform their duties or alternative duties. In the event it is not possible for a bargaining unit member to continue to perform their regular job duties due to full or modified closure or curtailment, the District may temporarily reassign a classified employee or assign alternative duties not contained within their current job description. In this instance, the District will endeavor to assign alternative duties that are within the bargaining unit member's capability for the bargaining unit member to perform. A bargaining unit member performing alternative duties will be compensated at their regular rate of pay (or in alignment with Article 19.3 out of classification, as relevant). A bargaining unit member who does not wish to perform alternate work may opt for and use available leave.

#### 27.7 Work Hours

The parties agree that the district may change an employee's work hours based on the needs of the District. Should changes in work hours exceed 30 minutes, the District shall consult with CSEA and first seek volunteers whenever possible and give the affected employee at least 48 hours notice, if not more advance notice whenever possible, and make every reasonable attempt to obtain employee confirmation. At the conclusion of the emergency, the District shall return the bargaining unit member to their regular schedule.

#### 27.8 Assignment of Work Location

The District shall have the flexibility to temporarily assign bargaining unit members to report to alternate work locations if deemed necessary due to operational needs. In such cases, the District shall inform CSEA in writing, and the supervisor will, to the extent possible, inform the employee 48 hours prior to the day the employee is to report to the changed location and make every reasonable attempt to obtain employee confirmation. Such change in work location will not be considered a “transfer” as defined in the Collective Bargaining Agreement. Changes in work location will be temporary, based on operational need, and shall not be arbitrary or capricious.

#### 27.9 Communications

During any period of closure or curtailment because of emergency, bargaining unit members shall check their District email and/or other manner of communication established with their supervisor on a daily basis for the most current situational updates. The District shall also use its communication systems to communicate with CSEA employees, and the District shall monitor the systems regularly.

#### 27.10 Essential Workers

In the event that the District facilities are required to close on orders of local, state and/or federal agency, the District shall identify essential operations and corresponding classifications required to report for work. It is understood that the designation of essential services may change based on changing circumstances. The District will inform CSEA of changes in the designation of essential services and the affected employees.

#### 27.11 Duty to Negotiate

The parties recognize that a governmental response to any emergency will be constantly evolving. The parties will comply with state or federal legislation or orders as deemed

appropriate for the district. The parties recognize that the terms and conditions of employment of bargaining unit members may be impacted and agree to bargain any impacts within the scope of negotiations, not addressed in this Article, over the effects of such emergency orders.

**CSESAP**  
**MEMORANDUM OF UNDERSTANDING**  
**between the**  
**CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION and its NATOMAS CHAPTER**  
**#745 (together "CSEA")**  
**and the**  
**NATOMAS UNIFIED SCHOOL DISTRICT ("DISTRICT")**

The following is a Memorandum of Understanding ("MOU") between the Natomas Unified School District ("District") and the California School Employees Association and its Natomas Chapter #745 (together "CSEA"). The District and CSEA agree to the following terms and conditions:

The State of California via Education Code 45500 ("ED Code 45500") has allocated funds for Classified Employees to utilize as part of the Classified School Employee Summer Assistance Program ("CSESAP"). The District and CSEA believe Classified Employees employed the District should be afforded the opportunity to participate in the CSESAP.

The District and CSEA recognize funding for the CSESAP is contingent upon an appropriation in the annual Budget Act or another statute (Education Code §45500.o.2).

The parties agree to the following:

1. The District agrees to participate in the CSESAP in fiscal years where the State allocates an appropriation of funds in the annual Budget Act or another statute (Education Code §45500.o.2). In participating years, the District shall extend this benefit option to the bargaining unit as follows:
  - a. Prior to January 1 during a fiscal year in which moneys are appropriated, the District agrees to send a notification informing Classified Employees of the District's intent to participate in the CSESAP;
  - b. The notification shall outline the eligibility requirements of the CSESAP as well as any other information required by ED Code 45500;
  - c. The District agrees to comply with all timelines as established by the California Department of Education ("CDE").
2. Eligibility for the program:
  - a. Classified Employees must work in assignments of 11 months or less out of a twelve-month period;

*Handwritten initials:* RB  
DG 7/16

- b. Classified Employees must have worked for the District for at least one year as of March 1 during a fiscal year in which moneys are appropriated;
- c. Classified Employees regular annual pay must not be more than \$62,400.00 or as may be adjusted by the legislature.

3. Withholdings:

- a. Participating Classified Employees may elect to withhold an amount not to exceed 10% of his/her regular monthly pay during the applicable school year.
- b. No later than 30 days after the start of school instruction for the applicable school year, an employee may withdraw his/her election to participate in the program or reduce the amount withheld from his/her pay, however a participating member will not be allowed to increase the withholding amount
- c. If an employee separates from employment during the applicable school year, the employee shall be paid any monies withheld from his/her paycheck pursuant to this program;
- d. If employees regular pay is at risk of being insufficient for the elected withholding to be deducted, the withholdings pursuant to this program will be stopped.

4. State/CDE matching funds:

- a. If the State/CDE matching funds are prorated, the participating unit member shall only be entitled to the matching funds as provided by the State/CDE.
- b. Participating unit members shall receive payment of the amounts withheld plus the amount apportioned by the State/CDE in either one or two payments.
- c. If a participating unit member elects to receive one payment, the amounts withheld, and the matching funds provided by the State/CDE shall be disbursed to the participating unit member at the end of month payroll following the District's receipt of funds from the State/CDE.
- d. If a participating unit member elects to receive two payments he/she shall receive payments as follows:
  - 1. The amounts withheld at the end of month payroll in July of the succeeding fiscal year.

RR  
DF

2. The matching funds provided by the CDE shall be disbursed to the participating unit member at the end of month payroll following the District's receipt of funds from the CDE.

5. Disclaimer:

- a. Participation in the CSESAP is contingent upon an appropriation of funds in the annual Budget Act or another statute (Education Code §45500.o.2). In fiscal years where the State has elected to discontinue funding for the CSESAP, the District will have no obligation to continue offering this benefit. Participation in the CSESAP will be offered solely in fiscal years where the State has made an appropriation of funds in the annual Budget Act or another statute (Education Code §45500.o.2) into the CSESAP. In situations where an appropriation of funds is reduced in the annual budget or funds are deferred or delayed, the parties understand that the district will not be required to contribute any funds to meet the state's obligation to provide matching funds.
