TUTORING

Every effort should be made by the principal and teacher to resolve the learning problems of a student at school before recommending that parents/guardians engage a tutor or seek other outside professional help. The Governing Board believes that by maintaining a high quality instructional staff and providing for a rich, varied curriculum the need for individual tutoring is minimized.

A teacher may not accept any kind of remuneration for tutoring any student enrolled in his/her class.

Teachers who accept outside tutoring engagements make their own arrangements with the parents/guardians for the fees to be assessed. No tutoring for which a teacher receives a fee will be carried on in a school building.
