

## Tidehaven ISD Athletic /Event Guidelines

In order to ensure the safety of all our students and patrons, we have implemented the following guidelines/expectations:

- Students will not exit the gates of the football stadium.
- Students are not allowed to go to the visitor's side.
- Students and fans are not allowed on the track or the football field area at any time during the game.
- High school and Jr. High students must remain in the student section of the bleachers.
- Elementary students will sit with parents or the adult who brought them.
- Students are not allowed to "hang out" under the stands, or run around by the concession stand.
- When going to the restroom or concession stand, students must go straight to these areas and then back to the stands to sit. No running back and forth.
- Students are not allowed to hang on the rail at the bottom of the stands. This blocks the view of others sitting down, and makes it hard for people to walk by.

Administrators are on duty at every game and we will warn students once. If we have to tell a student more than one time, the student may be asked to leave the game, or remain in the stands with an adult. We don't want any of our students to miss out on our great Tiger Football team, but we also want them to follow the rules at all games.

Thank you for your assistance in addressing this matter,
