Use your dcrsd.org email address to login to Sora (school), or use your public library card # to login to Libby (public)

Both apps are free, easy to use, and work on most devices.

Public libraries are open all summer. Stop in and the librarians will be happy to help you find any book you're interested in! They offer great programs, too!

If you plan to purchase your book, our local independent bookstore **Booklover's Gourmet** in Webster is offering a 10% discount on all summer reading titles. Phone # (508) 949-6232

A Few Important Notes on Summer Reading

- All students are required to read at least one book from this year's summer reading list.
- Books required for AP classes (other than AP Lit) do not count towards summer reading. See your AP teacher for more information.
- You may choose any book from the list.
- Some books on this list may have appeared on a previous summer reading list, and some may have been made into TV shows and movies. You're welcome to watch the adaptations of the book (compare and discuss with friends!), but you must also read the book.
- You must choose a book that you have not already used for a summer reading assignment.
- English teachers will assess your knowledge of the book in the fall.
- ENJOY YOUR SUMMER & HAPPY READING!
