Last Day of School

Last day of school is June 17th.

Pick up will begin at 11:45
with bus dismissal at 11:55.

No school for Pre-K on June 17.

Step Up Day

This morning was "Step Up" day for students in grades PK-7. Students met their new teachers and classmates for next year. They will be bringing home letters this afternoon that include their teacher's name and class list.

Students entering grades 6-8 next year traveled to new classes in their current groups to meet all their teachers and to learn about their new grades. Classes are mixed throughout the day in our middle school grades, so middle school students will collect their schedules at the beginning of the new school year.
