

Lowe Dismissal Procedures

Lowe Families,

We know dismissal can be a lengthy process, especially the first few days of school. In order to help the process go smoother, here are a few procedural reminders so that we can get your students to you as fast as possible after school.

Car Riders:

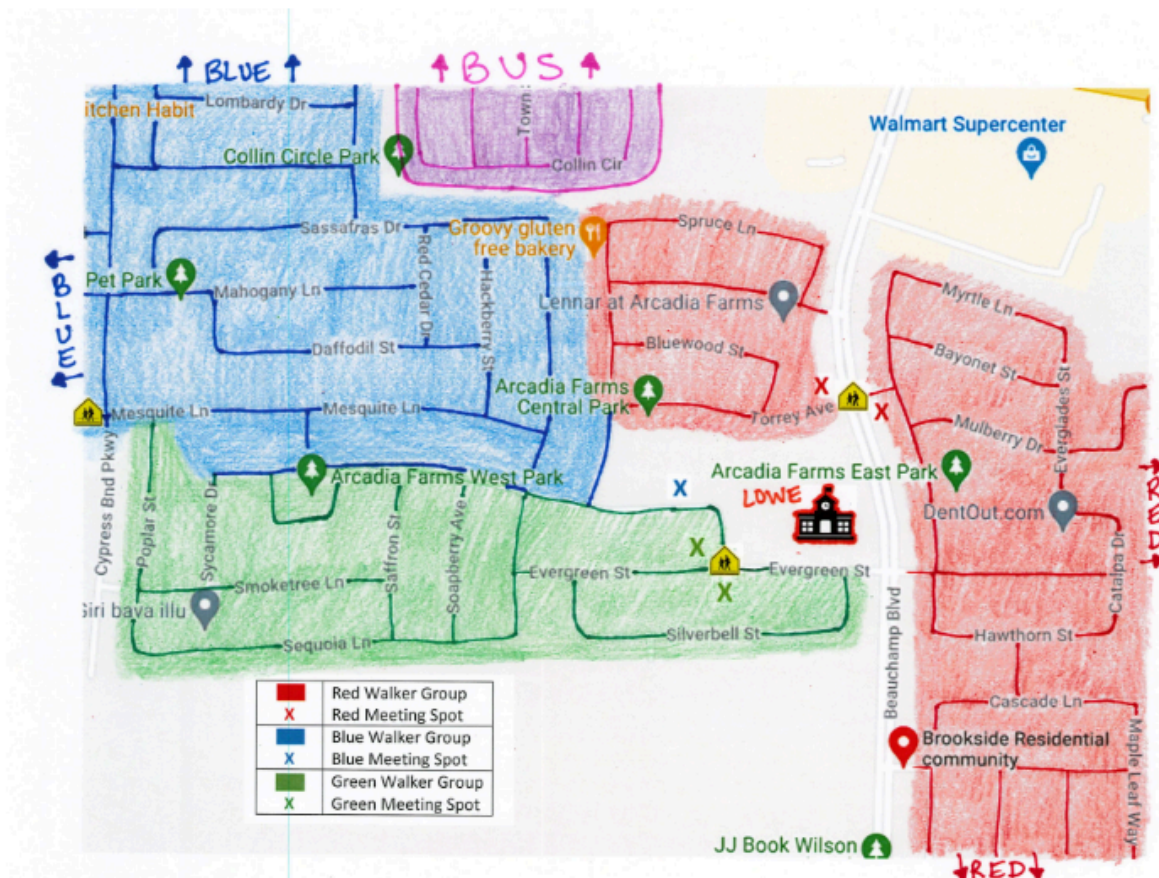

- The front car loop is for Kindergarten, 2nd grade, and 3rd grade. (green tags)
- The back car loop is for 1st grade, 4th grade, and 5th grade. (pink tags)
- If you have children in multiple grades, older siblings will go to the youngest sibling.
- If you do not have a car tag, you will need to park and show your ID at the front office.
- Parents cannot walk up to the main doors to pick up their children.
- The car loop map is below.

Walkers:

- The walker map is attached to this email.
- Parents should wait at the designated locations marked by an X on the map if you choose to walk home with them.
- If your child is in kindergarten or first grade, we will wait until we see a pick-up person (guardian, older sibling, etc.) before allowing them to let go of the walking rope.

LOWE ELEMENTARY WALKER MAP

All Students:

- For same day dismissal changes, please call the office by 2:45 pm to ensure the teacher receives the message in time. (Ex: car rider to walker, walker to car rider, bus to car rider, etc.)
- Our goal is to make sure all students are as safe as possible and go home in the correct manner. Thank you for your partnership.
