NONPUBLIC, NONSECTARIAN SCHOOL/AGENCY SERVICES
MASTER CONTRACT

GENERAL PROVISIONS**1. MASTER CONTRACT**

This Master Contract (or "Contract") is entered into on July 1, 2025, between **TRACY UNIFIED SCHOOL DISTRICT** hereinafter referred to as the local educational agency ("LEA"), a member of the San Joaquin County SELPA and _____ (nonpublic, nonsectarian school or agency), hereinafter referred to as NPS/A or "CONTRACTOR" for the purpose of providing special education and/or related services to students with exceptional needs under the authorization of California Education Code sections 56157, 56361 and 56365 *et seq.* and Title 5 of the California Code of Regulations section 3000 *et seq.*, AB 490 (Chapter 862, Statutes of 2003) and AB 1858 (Chapter 914, Statutes of 2004). It is understood that this agreement does not commit the LEA to pay for special education and/or related services provided to any student or CONTRACTOR to provide such special education and/or related services, unless and until an authorized LEA representative approves the provision of special education and/or related services by CONTRACTOR.

Upon acceptance of a student, LEA shall submit to CONTRACTOR an Individual Service Agreement (hereinafter referred to as "ISA"). Unless otherwise agreed in writing, these forms shall acknowledge CONTRACTOR's obligation to provide all relevant services specified in the student's Individualized Education Program (hereinafter referred to as "IEP"). The ISA shall be executed within ninety (90) days of a student's enrollment. LEA and CONTRACTOR shall enter into an ISA for each student served by CONTRACTOR. As available and appropriate, the LEA shall make available access to any electronic IEP system and/or electronic database for the development of the ISA and invoices.

Unless placement and/or services is made pursuant to an Office of Administrative Hearings (hereinafter referred to as "OAH") order, a lawfully executed settlement agreement between LEA and parent or authorized by LEA for a transfer student pursuant to California Education Code section 56325, LEA is not responsible for the costs associated with NPS placement or NPS/A services until the date on which an IEP team meeting is convened, the IEP team determines that a NPS placement is appropriate, and the IEP is signed by the student's parent.

2. CERTIFICATION AND LICENSES

CONTRACTOR shall be certified by the California Department of Education (hereinafter referred to as "CDE") as a NPS/A. All NPS/A services shall be provided consistently with the area of certification and licensure specified by CDE Certification and as defined in the California Education Code, section 56366 *et seq.* and within the professional scope of practice of each provider's license, certification, and/or credential. A current copy of CONTRACTOR's NPS/A certification or a waiver of such certification issued by the CDE pursuant to Education Code section 56366.2 must be provided to LEA on or before the date this Agreement is executed by CONTRACTOR. This Master Contract shall be null and void if such certification or waiver is expired, revoked, rescinded, or otherwise nullified during the effective period of this Master Contract.

Total student enrollment shall be limited to capacity as stated on CDE certification and in Section 24 of the Master Contract.

In addition to meeting the certification requirements of the State of California, a CONTRACTOR that operates a program outside of this State shall be certified and all staff persons providing services to pupils shall be certified and/or licensed by that state to provide, respectively, special education and related services and designated instruction and related services to pupils under the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.).

If CONTRACTOR is a licensed children's institution (hereinafter referred to as "LCI"), CONTRACTOR shall be licensed by the state, or other public agency having delegated authority by contract with the state to license, to provide nonmedical care room and board to children, including, but not limited to, individuals with exceptional needs. The LCI must also comply with all licensing requirements relevant to the protection of the child, and have a special permit, if necessary, to meet the needs of each child so placed. If the CONTRACTOR operates a program outside of this State, CONTRACTOR must obtain all required licenses from the appropriate licensing agency in both California and in the state where the LCI is located.

With respect to CONTRACTOR's certification, failure to notify the LEA and CDE in writing of any changes in: (1) credentialed/licensed staff; (2) ownership; (3) management and/or control of the agency; (4) major modification or relocation of facilities; or (5) significant modification of the program may result in the suspension or revocation of CDE certification and/or suspension or termination of this Master Contract by the LEA.

3. COMPLIANCE WITH LAWS, STATUTES, REGULATIONS

During the term of this Master Contract, unless otherwise agreed, the CONTRACTOR shall comply with all applicable federal, state, and local statutes, laws, ordinances, rules, policies and regulations. CONTRACTOR shall also comply with all applicable LEA policies and procedures unless, taking into consideration all of the surrounding facts and circumstances, a policy or policies or a portion of a policy does not reasonably apply to CONTRACTOR. CONTRACTOR hereby acknowledges and agrees that it accepts all risks and responsibilities for its failure to comply with LEA policies and shall indemnify LEA under the provisions of Section 16 of this Agreement for all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of CONTRACTOR's failure to comply with applicable LEA policies (e.g., those policies relating to; the provision of special education and/or related services, facilities for individuals with exceptional needs, student enrollment and transfer, student inactive status, corporal punishment, student discipline, and positive behavior interventions).

CONTRACTOR acknowledges and understands that LEA may report to the CDE any violations of the provisions of this Master Contract; and that this may result in the suspension and/or revocation of CDE nonpublic school/agency certification pursuant to California Education Code section 56366.4(a).

4. TERM OF MASTER CONTRACT

The term of this Master Contract shall be from July 1, 2025, to June 30, 2026 (Title 5 California Code of Regulations section 3062(a)) unless otherwise stated. Neither the CONTRACTOR nor the LEA is required to renew this Master Contract in subsequent contract years. The parties acknowledge that any subsequent Master Contract is to be re-negotiated prior to June 30, 2025 (Title 5 California Code of Regulations section 3062(d)). In the event the contract negotiations are not agreed to by June 30th, the most recently executed Master Contract will remain in effect for 90 days (Education Code 56366(c)(1)). If, after 60 days the master contract or individual services agreement has not been finalized, as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent of schools is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract; or the Superintendent, if the county superintendent of schools is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal,

the county superintendent of schools or the Superintendent, or the individual designee, shall mediate the formulation of a contract, which shall be binding upon both parties (Education Code 56366 (c) (2)). No Master Contract will be offered unless and until all of the contracting requirements have been satisfied. The offer of a Master Contract to a CONTRACTOR is at the sole discretion of the LEA.

The provisions of this Master Contract apply to CONTRACTOR and any of its employees or independent contractors. Notice of any change in CONTRACTOR's ownership or authorized representative shall be provided in writing to LEA within thirty (30) calendar days of change of ownership or change of authorized representative.

5. INTEGRATION/CONTINUANCE OF CONTRACT FOLLOWING EXPIRATION OR TERMINATION

This Master Contract includes each ISA, and they are incorporated herein by this reference. This Master Contract supersedes any prior or contemporaneous written or oral understanding or agreement. This Master Contract may be amended only by written amendment executed by both parties.

The CONTRACTOR shall provide the LEA with information as requested in writing to secure a Master Contract or a renewal.

At a minimum, such information shall include copies of current teacher credentials and clearance, insurance documentation and CDE certification. The LEA may require additional information as applicable. If the application packet is not completed and returned to the District, no Master Contract will be issued. If CONTRACTOR does not return the Master Contract to LEA duly signed by an authorized representative within ninety (90) calendar days of issuance by LEA, the new contract rates will not take effect until the newly executed Master Contract is received by LEA and will not be retroactive to the first day of the new Master Contract's effective date. If CONTRACTOR fails to execute the new Master Contract within such ninety-day period, all payments shall cease until such time as the new Master Contract for the current school year is signed and returned to LEA by CONTRACTOR. (California Education Code section 56366(c)(1) and (2)). In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed Master Contract between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students at the discretion of the LEA

6. INDIVIDUAL SERVICE AGREEMENT ("ISA")

This Agreement shall include an ISA developed for each student to whom CONTRACTOR is to provide special education and/or related services. An ISA shall only be issued for students enrolled with the approval of the LEA pursuant to Education Code section 56366 (a)(2)(A). An ISA may be effective for more than one contract year provided that there is a concurrent Master Contract in effect. In the event that this Master Contract expires or terminates, CONTRACTOR shall continue to be bound to all of the terms and conditions of the most recent executed ISAs between CONTRACTOR and LEA for so long as CONTRACTOR is servicing authorized students.

Any and all changes to a student's educational placement/program provided under this Master Contract and/or an ISA shall be made solely on the basis of a revision to the student's IEP or by written agreement between the parent and LEA. At any time during the term of this Master Contract, a student's parent, CONTRACTOR, or LEA may request a review of a student's IEP subject to all procedural safeguards required by law.

Unless otherwise provided in this Master Contract, the CONTRACTOR shall provide all services specified in the IEP unless the CONTRACTOR and the LEA agree otherwise in the ISA. (California Education Code sections 56366(a) (5) and 3062(e)). In the event the CONTRACTOR is unable to provide a specific service at any time during the life of the ISA, the CONTRACTOR shall notify the LEA in writing within five (5) business days of the last date a service was provided. CONTRACTOR shall provide any and all subsequent

compensatory service hours awarded to a student as a result of lack of provision of services while the student was served by the NPS/A.

If a parent or LEA contests the termination of an ISA by initiating a due process proceeding with the OAH, CONTRACTOR shall abide by the “stay-put” requirement of state and federal law unless the parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k) of Title 20 of the United States Code. The CONTRACTOR shall adhere to all LEA requirements concerning changes in placement.

Disagreements between LEA and CONTRACTOR concerning the formulation of an ISA or the Master Contract may appeal to the County Superintendent of Schools of the County where the LEA is located, or the State Superintendent of Public Instruction pursuant to the provisions of California Education Code section 56366(c) (2).

The duty and obligation to defend shall arise immediately upon tender of a claim or lawsuit to the CONTRACTOR. The LEA and the Member District(s) shall have the right in their sole discretion to select counsel of its choice to provide the defense at the sole cost of the CONTRACTOR or the applicable insurance carrier.

To the fullest extent allowed by law, LEA shall indemnify and hold CONTRACTOR and its Board Members, administrators, employees, agents, attorneys, and subcontractors ("CONTRACTOR Indemnities") harmless against all liability, loss, damage and expense (including reasonable attorneys' fees) resulting from or arising out of this Master Contract or its performance thereof, to the extent that such loss, expense, damage or liability was proximately caused by the negligent, intentional act or willful act or omission of LEA, including, without limitation, its agents, employees, subcontractors or anyone employed directly or indirectly by it (excluding CONTRACTOR and/or any CONTRACTOR Indemnities).

LEA represents that it is self-insured in compliance with the laws of the State of California, that the self-insurance covers LEA employees acting within the course and scope of their respective duties and that its self-insurance covers the LEA's indemnification obligations under this Master Contract.

17. INDEPENDENT CONTRACTOR

Nothing herein contained will be construed to imply a joint venture, partnership or principal-agent relationship between the LEA and CONTRACTOR. CONTRACTOR shall provide all services under this Contract as an independent contractor, and neither party shall have the authority to bind or make any commitment on behalf of the other. Nothing contained in this Contract shall be deemed to create any association, partnership, joint venture or relationship of principal and agent, master and servant, or employer and employee between the parties or any affiliates of the parties, or between the LEA and any individual assigned by CONTRACTOR to perform any services for the LEA.

If the LEA is determined to be a partner, joint venture, co-principal, employer or co-employer of CONTRACTOR, CONTRACTOR shall indemnify and hold harmless the LEA from and against any and all claims for loss, liability, or damages arising from that determination, as well as any expenses, costs, taxes, penalties and interest charges incurred by the LEA as a result of that holding.

18. SUBCONTRACTING

CONTRACTOR shall provide written notification to LEA before subcontracting for special education and/or related services pursuant to this Master Contract. In the event LEA determines that it can provide the subcontracted service(s) at a lower rate, LEA may elect to provide such service(s). If LEA elects to provide such service(s), LEA shall provide written notification to CONTRACTOR within five (5) days of receipt of CONTRACTOR's original notice and CONTRACTOR shall not subcontract for said service(s).

CONTRACTOR shall incorporate all of the provisions of this Master Contract in all subcontracts, to the fullest extent reasonably possible. Furthermore, when CONTRACTOR enters into subcontracts for the provision of special education and/or related services (including, but not limited to, transportation) for any student, CONTRACTOR shall cause each subcontractor to procure and maintain insurance during the term of each subcontract. Such subcontractor's insurance shall comply with the provisions of Section 15. Each subcontractor shall furnish the LEA with original endorsements and certificates of insurance effecting coverage required by Section 15. The endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The endorsements are to be on forms as required by the LEA. All endorsements are to be received and approved by the LEA before the subcontractor's work commences. The Commercial General Liability and Automobile Liability policies shall name the LEA/SELPA and the LEA Board of Education as additional insured.

As an alternative to the LEA's forms, a subcontractor's insurer may provide complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by this Master Contract. All Certificates of Insurance must reference the LEA contract number, name of the school or agency submitting the certificate, indication if NPS or NPA, and the location of the school or agency submitting the certificate. In addition, all subcontractors must meet the requirements as contained in Section 44 Clearance Requirements and Section 45 Staff Qualifications of this Master Contract.

19. CONFLICTS OF INTEREST

CONTRACTOR shall provide to LEA upon request a copy of its current bylaws and a current list of its Board of Directors (or Trustees), if it is incorporated. CONTRACTOR and any member of its Board of Directors (or Trustees) shall disclose any relationship with LEA that constitutes or may constitute a conflict of interest pursuant to California Education Code section 56042 and Government Code Section 1090 including, but not limited to, employment with LEA, provision of private party assessments and/or reports, and attendance at IEP team meetings acting as a student's advocate. Pursuant to California Education code section 56042, an attorney or advocate for a parent of an individual with exceptional needs shall not recommend placement at CONTRACTOR's facility if the attorney or advocate is employed or contracted by the CONTRACTOR, or will receive a benefit from the CONTRACTOR, or otherwise has a conflict of interest.

The LEA shall neither execute an ISA with CONTRACTOR nor amend an existing ISA for a student when a recommendation for special education and/or related services is based in whole or in part on assessment(s) or reports provided by CONTRACTOR to the student without prior written authorization by LEA. This paragraph shall apply to CONTRACTOR regardless of when an assessment is performed or a report is prepared (i.e., before or after the student is enrolled in CONTRACTOR's school/agency) or whether an assessment of the student is performed or a report is prepared in the normal course of the services provided to the student by CONTRACTOR. To avoid conflict of interest, and in order to ensure the appropriateness of an Independent Educational Evaluation (hereinafter referred to as "IEE") and its recommendations, the LEA may not fund an IEE by an evaluator who provides ongoing service(s) or is sought to provide service(s) to the student for whom the IEE is requested. Likewise, the LEA may not fund services through the evaluator whose IEE the LEA agrees to fund. When no other appropriate assessor is available, LEA may request and if CONTRACTOR agrees, the CONTRACTOR may provide an IEE.

CONTRACTOR shall not admit a student living within the jurisdictional boundaries of the LEA on a private pay or tuition free "scholarship" basis and concurrently or subsequently advise/request parent(s) to pursue funding for the admitted school year from the LEA through due process proceedings.

20. NON-DISCRIMINATION

CONTRACTOR shall not, in employment or operation of its programs, unlawfully discriminate on the basis of gender, nationality, national origin, ancestry, race, color, ethnicity, ethnic group affiliation, religion, age, marital status, pregnancy or parental status, sex, sexual orientation, gender, gender identity or expression, physical or mental disability, genetic information or any other classification protected by federal or state law or the perception of one or more of such characteristics or association with a person or group with one or more of these actual or perceived characteristics.

The LEA shall provide CONTRACTOR with a copy of the IEP including the Individualized Transition Plan (hereinafter referred to as "ITP") of each student served by CONTRACTOR. CONTRACTOR shall provide special education and/or related services (including transition services) to each student within the NPS/A consistent with the student's IEP and as specified in the ISA. If CONTRACTOR is a NPS, CONTRACTOR shall not accept a student if it cannot provide or ensure the provision of the services outlined in the student's IEP. If student services are provided by a third party (i.e. Related Services Provider), CONTRACTOR shall notify LEA if provision of services cease.

Unless otherwise agreed to between CONTRACTOR and LEA, CONTRACTOR shall be responsible for the provision of all appropriate supplies, equipment, and/or facilities, as specified in the student's IEP and ISA. CONTRACTOR shall make no charge of any kind to parents for special education and/or related services as specified in the student's IEP and ISA (including, but not limited to, screenings, assessments, or interviews that occur prior to or as a condition of the student's enrollment under the terms of this Master Contract). LEA shall provide low incidence equipment for eligible students with low incidence disabilities when specified in the student's IEP and ISA. Such equipment remains the property of the SELPA/LEA and shall be returned to the SELPA/LEA when the IEP team determines the equipment is no longer needed or when the student is no longer enrolled in the NPS. CONTRACTOR shall ensure that facilities are adequate to provide LEA students with an environment which meets all pertinent health and safety regulations. CONTRACTOR may charge a student's parent(s) for services and/or activities not necessary for the student to receive a free appropriate public education after: (a) written notification to the student's parent(s) of the cost and voluntary nature of the services and/or activities; and (b) receipt by the LEA of the written notification and a written acknowledgment signed by the student's parent(s) of the

cost and voluntary nature of the services and/or activities. CONTRACTOR shall adhere to all LEA requirements concerning parent acknowledgment of financial responsibility.

Voluntary services and/or activities not necessary for the student to receive a free appropriate public education shall not interfere with the student's receipt of special education and/or related services as specified in the student's IEP and ISA unless the LEA, CONTRACTOR, and PARENT agree otherwise in writing.

Students shall have access to: (a) State Board of Education (SBE) - adopted Common Core State Standards ("CCSS") for curriculum and the same instructional materials for kindergarten and grades 1 to 8, inclusive; and provide standards – aligned core curriculum and instructional materials for grades 9 to 12, inclusive, used by an LEA, that contracts with the NPS: (b) college preparation courses; (c) extracurricular activities, such as art, sports, music and academic clubs; (d) career preparation and vocational training, consistent with transition plans pursuant to state and federal law and; (e) supplemental assistance, including individual academic tutoring, psychological counseling, and career and college counseling.

CONTRACTOR shall not award a high school diploma to students who have not successfully completed all of the LEA's graduation requirements.

When CONTRACTOR is a NPA and/or related services provider, CONTRACTOR's general program of instruction and/or services shall utilize evidence-based practices and be consistent with LEA and CDE guidelines and certification, and provided as specified in the student's IEP and ISA. The NPA providing Behavior Intervention services shall develop a written plan that specifies the nature of their NPA service for each student within thirty (30) days of enrollment and shall be provided in writing to the LEA. School-based services may not be unilaterally converted by CONTRACTOR to a substitute program or provided at a location not specifically authorized by the IEP team. Except for services provided by a CONTRACTOR that is a Licensed Children's Institution (LCI), all services not provided in the school setting require the presence of a parent, guardian or adult caregiver during the delivery of services, provided such guardian or caregiver have a signed authorization by the parent or legal guardian to authorize emergency services as requested. LCI CONTRACTORS shall ensure that appropriate and qualified residential or clinical staff is present during the provision of services under this Master Contract. CONTRACTOR shall immediately notify LEA in writing if no parent, guardian or adult caregiver is present. CONTRACTOR shall provide to LEA a written description of the services and location provided prior to the effective date of this Master Contract. It is understood that Behavior Intervention services are limited per CDE Certification and do not constitute an instructional program.

When CONTRACTOR is a NPA, CONTRACTOR shall not provide transportation nor subcontract for transportation services for students unless the LEA and CONTRACTOR agree otherwise in writing.

23. INSTRUCTIONAL MINUTES

When CONTRACTOR is a NPS, the total number of instructional minutes per school day provided by CONTRACTOR shall be at least equivalent to the number of instructional minutes per school day provided

to students at like grade level attending LEA schools and shall be specified in the student's ISA developed in accordance with the student's IEP.

24. CLASS SIZE

When CONTRACTOR is a NPS, CONTRACTOR shall ensure that class size shall not exceed a ratio of one teacher per twelve (12) students, unless CONTRACTOR and LEA agree otherwise in writing. Upon prior written approval by an authorized LEA representative, class size may be temporarily increased by a ratio of 1 teacher to fourteen (14) students when necessary, during the regular or extended school year to provide services to students with disabilities.

In the event a NPS is unable to fill a vacant teaching position responsible for direct instruction to students, and the vacancy has a direct impact on the CDE Certification of that school, the NPS shall develop a plan to ensure appropriate coverage of students by first utilizing existing certificated staff. The NPS and the LEA may agree to one 30 school day period per contract year where class size may be increased to ensure coverage by an appropriately credentialed teacher. Such an agreement shall be in writing and signed by both parties. This provision does not apply to a NPA.

CONTRACTOR providing special education instruction for individuals with exceptional needs between the ages of three and five years, inclusive, shall also comply with the appropriate instructional adult to child ratios pursuant to California Education Code sections 56440 et seq.

25. CALENDARS

When CONTRACTOR is an NPS, CONTRACTOR shall submit to the LEA/SELPA a school calendar with the total number of billable days not to exceed 180 days, plus extended school year billable days equivalent to the number of days determined by the LEA's extended school year calendar. Billable days shall include only those days that are included on the submitted and approved school calendar, and/or required by the IEP (developed by the LEA) for each student. CONTRACTOR shall not be allowed to change its school calendar and/or amend the number of billable days without the prior written approval of the LEA. Nothing in this Master Contract shall be interpreted to require the LEA to accept any requests for calendar changes.

Unless otherwise specified by the student's IEP, educational services shall occur at the school site. A student shall only be eligible for extended school year services as determined by the IEP team and the provision of such is specifically included in the ISA. Extended school year shall consist of twenty (20) instructional days, unless otherwise agreed upon by the IEP team convened by the LEA. Any days of extended school year in excess of twenty (20) billable days must be mutually agreed to, in writing, prior to the start of the extended school year.

Student must have actually been in attendance during the regular school year and/or during extended school year and received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of

any NPS service. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

CONTRACTOR shall observe the same legal holidays as LEA. Those holidays are Labor Day, Veteran's Day, Thanksgiving Day, Christmas Day, New Year's Day, Martin Luther King Jr. Day, President's Day, Memorial Day, Juneteenth, and Independence Day. With the approval of LEA, CONTRACTOR may revise the date upon which CONTRACTOR closes in observance of any of the holidays observed by the LEA.

When CONTRACTOR is a NPA, CONTRACTOR shall be provided with a LEA-developed/approved calendar prior to the initiation of services. CONTRACTOR herein agrees to observe holidays as specified in the LEA-developed/approved calendar. CONTRACTOR shall provide services pursuant to the LEA-developed/approved calendar; or as specified in the LEA student's IEP and ISA. Unless otherwise specified in the LEA student's ISA, CONTRACTOR shall provide related services to LEA students on only those days that the LEA student's school of attendance is in session and the LEA student attends school. CONTRACTOR shall bill only for services provided on billable days of attendance as indicated on the LEA calendar unless CONTRACTOR and the LEA agree otherwise, in writing. Student must have actually been in attendance and/or received services on a billable day of attendance in order for CONTRACTOR to be eligible for payment. It is specifically understood that services may not be provided on weekends/holidays and other times when school is not in session, unless agreed to by the LEA, in writing, in advance of the delivery of any NPA service provided by CONTRACTOR. Any instructional days provided without this written agreement shall be at the sole financial responsibility of the CONTRACTOR.

26. DATA REPORTING

CONTRACTOR shall agree to provide to the LEA all data related to student information and billing information with LEA. CONTRACTOR shall agree to provide data related to all sections of this contract, including student discipline as noted below, and requested by and in the format required by the LEA. It is understood that all NPS/A shall utilize the LEA approved electronic IEP system for all IEP development, service tracking documentation, and progress reporting, unless otherwise agreed to by the LEA. Additional progress reporting may be required by the LEA. The LEA shall provide the CONTRACTOR with appropriate software, user training and proper internet permissions to allow adequate access.

Using forms developed by the CDE or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Code sections 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code sections 48900 and 48915.

The LEA shall provide the CONTRACTOR with approved forms and/or format for such data including, but not limited to, invoicing, attendance reports and progress reports. The LEA may approve use of CONTRACTOR'S provided forms at their discretion.

27. LEAST RESTRICTIVE ENVIRONMENT/DUAL ENROLLMENT

CONTRACTOR and LEA shall follow all LEA policies and procedures that support Least Restrictive Environment ("LRE") options and/or dual enrollment options if available and appropriate, for students to have access to the general curriculum and to be educated with their nondisabled peers to the maximum extent appropriate.

CONTRACTOR and LEA shall ensure that LRE placement options are addressed at all IEP team meetings regarding students for whom ISAs have been or may be executed. This shall include IEP team consideration of supplementary aids and services, goals and objectives necessary for placement in the LRE and necessary to enable students to transition to less restrictive settings.

When an IEP team has determined that a student should be transitioned into the public school setting, CONTRACTOR shall assist the LEA in implementing the IEP team's recommended activities to support the transition.

28. STATEWIDE ACHIEVEMENT TESTING

When CONTRACTOR is a NPS, per implementation of Senate Bill 484, CONTRACTOR shall administer all statewide assessments within the California Assessment of Student Performance and Progress ("CAASPP"), Desired Results Developmental Profile ("DRDP"), California Alternative Assessment ("CAA"), achievement and abilities tests (using LEA-authorized assessment instruments), the Fitness Gram, , the English Language Proficiency Assessments for California ("ELPAC"), the Alternative English Language Proficiency Assessments for California ("Alternative ELPAC"), and as appropriate to the student, and mandated by LEA pursuant to LEA and state and federal guidelines.

CONTRACTOR is subject to the alternative accountability system developed pursuant to Education Code section 52052, in the same manner as public schools. Each LEA student placed with CONTRACTOR by the LEA shall be tested by qualified staff of CONTRACTOR in accordance with that accountability program. LEA shall provide test administration training to CONTRACTOR'S qualified staff. CONTRACTOR shall attend LEA test training and comply with completion of all coding requirements as required by LEA.

29. MANDATED ATTENDANCE AT LEA MEETINGS

CONTRACTOR shall attend District mandated meetings when legal mandates, and/or LEA policy and procedures are reviewed, including but not limited to the areas of: curriculum, high school graduation, standards-based instruction, behavior intervention, cultural and linguistic needs of students with disabilities, dual enrollment responsibilities, LRE responsibilities, transition services, data collection, and standardized testing and IEPs. LEA shall provide CONTRACTOR with reasonable notice of mandated meetings. Attendance at such meetings does not constitute a billable service hour(s).

30. POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS

CONTRACTOR shall comply with the requirements of Education Code section 49005, et seq., 56521.1 and 56521.2. LEA students who exhibit behaviors that interfere with their learning or the learning of others must receive timely and appropriate assessments and positive supports and interventions in accordance with the federal law and it's implementing regulations. If the IEP team determines that a student's behavior impedes the individual learning or the learning of others, the IEP team is required to consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations. This could mean that instead of developing a Behavior Intervention Plan ("BIP"), the IEP team may conclude it is sufficient to address the student's behavioral problems through the development of behavioral goals and behavioral interventions to support those goals.

CONTRACTOR shall maintain a written policy pursuant to California Education Code section 56521.1 regarding emergency interventions and behavioral emergency reports. CONTRACTOR shall ensure that all of its staff members are trained in crisis intervention, emergency procedures, and evidenced-based practices and interventions specific to the unique behavioral needs of the CONTRACTOR's pupil population. The training shall be provided within 30 days of employment to new staff who have any contact or interaction with pupils during the school day, and annually to all staff who have any contact or interaction with pupils during the school day. The CONTRACTOR shall select and conduct the training in accordance with California Education Code section 56366.1. CONTRACTOR shall maintain written records of the training and provide written verification of the training annually and upon request.

Pursuant to Education Code section 56521.1, emergency interventions shall not be used as a substitute for a BIP, and shall not be employed longer than necessary to contain the behavior. Emergency interventions

may only be used to control unpredictable, spontaneous behavior that poses clear and present danger of serious physical harm to the individual with exceptional needs, or others, and that cannot be immediately prevented by a response less restrictive than the temporary application of a technique used to contain the behavior. If a situation requires prolonged use of emergency intervention, staff must seek assistance from the school site administrator or a law enforcement agency as applicable to the situation..

CONTRACTOR shall complete a behavior emergency report when an emergency occurs that is defined as a serious, dangerous behavior that staff has determined to present a clear and present danger to others. It requires a non-violent physical intervention to protect the safety of student, self, or others and a physical intervention has been used; or a physical intervention has not been used, but an injury or serious property damage has occurred. Personal Safety Techniques may or may not have been used. Emergencies require a behavior emergency report form be completed and the parent, guardian, and residential care provider, if appropriate, shall be notified within one school day if an emergency intervention is used or serious property damage occurs. A behavioral emergency report shall immediately be completed and maintained in the file of the individual with exceptional needs. The behavioral emergency report shall include all the following:

- (1) The name and age of the individual with exceptional needs.
- (2) The setting and location of the incident.
- (3) The name of the staff or other persons involved.
- (4) A description of the incident and the emergency intervention used, and whether the individual with exceptional needs is currently engaged in any systematic behavioral intervention plan.
- (5) Details of any injuries sustained by the individual with exceptional needs, or others, including staff, as a result of the incident.

All behavioral emergency reports shall immediately be forwarded to, and reviewed by, a designated responsible administrator.

If a behavioral emergency report is written regarding an individual with exceptional needs who does not have a behavioral intervention plan, the designated responsible administrator shall, within two days, schedule an individualized education program (IEP) team meeting to review the emergency report, to determine the necessity for a functional behavioral assessment, and to determine the necessity for an interim plan. The IEP team shall document the reasons for not conducting the functional behavioral assessment, not developing an interim plan, or both.

If a behavioral emergency report is written regarding an individual with exceptional needs who has a positive behavioral intervention plan, an incident involving a previously unseen serious behavior problem, or where a previously designed intervention is ineffective, shall be referred to the IEP team to review and determine if the incident constitutes a need to modify the positive behavioral intervention plan.

Pursuant to Education Code section 56521.2, CONTRACTOR shall not authorize, order, consent to, or pay for the following interventions, or any other interventions similar to or like the following:

1. any intervention that is designed to, or likely to, cause physical pain, including, but not limited to, electric-shock;
2. an intervention that involves the release of noxious, toxic, or otherwise unpleasant sprays, mists, or substances in proximity to the face of the individual;
3. an intervention that denies adequate sleep, food, water, shelter, bedding, physical comfort, or access to bathroom facilities;
4. an intervention that is designed to subject, used to subject, or likely to subject, the individual to verbal abuse, ridicule, or humiliation, or that can be expected to cause excessive emotional trauma;

5. restrictive interventions that employ a device, material, or objects that simultaneously immobilize all four extremities, ;
6. Prone restraint;
7. locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room;
8. an intervention that precludes adequate supervision of the individual;
9. an intervention that deprives the individual of one or more of the individual's senses.

CONTRACTOR shall comply with Education Code sections 49005.8, 56521.1 and 56521.2. Specifically, Contractor shall not do any of the following:

1. Use seclusion or a behavioral restraint for the purpose of coercion, discipline, convenience, or retaliation.
2. Use locked seclusion, unless it is in a facility otherwise licensed or permitted by state law to use a locked room.
3. Use a physical restraint technique that obstructs a pupil's respiratory airway or impairs the pupil's breathing or respiratory capacity, including techniques in which a staff member places pressure on a pupil's back or places the individual's body weight against the pupil's torso or back.
4. Use a behavioral restraint technique that restricts breathing, including, but not limited to, using a pillow, blanket, carpet, mat, or other item to cover a pupil's face.
5. Place a pupil in a facedown position with the pupil's hands held or restrained behind the pupil's back
6. Use prone containment.
7. Use a behavioral restraint for longer than is necessary to contain the behavior that poses a clear and present danger of serious physical harm to the pupil or others.

CONTRACTOR shall keep constant, direct observation of a pupil who is in seclusion, which may be through observation of the pupil through a window, or another barrier, through which the educational provider is able to make direct eye contact with the pupil. This observation shall not be through indirect means, including through a security camera or a closed-circuit television.

CONTRACTOR shall afford pupils who are restrained the least restrictive alternative and the maximum freedom of movement, and shall use the least number of restraint points, while ensuring the physical safety of the pupil and others.

In the case of a child whose behavior impedes the child's learning or that of others, the IEP team shall consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior, consistent with Section 1414(d)(3)(B)(i) and (d)(4) of Title 20 of the United States Code and associated federal regulations.

All restraint practices must be reviewed and revised when they have an adverse effect on a student and are used repeatedly for an individual child, either on multiple occasions within the same classroom or multiple uses by the same individual. CONTRACTOR shall notify the student's parent/guardian when any type of physical or mechanical restraint or seclusion has been used. Upon the use of any type of physical or mechanical restraint or seclusions of an LEA student, CONTRACTOR shall complete a BER per the reporting and notification requirements listed above.

31. STUDENT DISCIPLINE

CONTRACTOR shall maintain and abide by a written policy for student discipline that is consistent with state and federal law and regulations. Using forms developed by the California Department of Education or as otherwise mutually agreed upon by CONTRACTOR and LEA, CONTRACTOR shall provide LEA, on a monthly basis, a written report of all incidents in which a statutory offense is committed by any LEA student, regardless if it results in a disciplinary action of suspension or expulsion. This includes all statutory offenses as described in Education Codes 48900 and 48915. CONTRACTOR shall also include incidents resulting in the use of a behavioral restraint and/or seclusion even if they were not a result of a violation of Education Code Sections 48900 and 48915.

When CONTRACTOR seeks to remove a student from his/her current educational placement for disciplinary reasons, CONTRACTOR shall immediately submit a written discipline report to the LEA. Written discipline reports shall include, but not be limited to: the student's name; the time, date, and description of the misconduct; the disciplinary action taken by CONTRACTOR; and the rationale for such disciplinary action. A copy of the student's behavior plan, if any, shall be submitted with the written discipline report. CONTRACTOR and LEA agree to participate in a manifestation determination at an IEP meeting no later than the tenth (10th) day of suspension

32. IEP TEAM MEETINGS

An IEP team meeting shall be convened at least annually to evaluate: (1) the educational progress of each student placed with CONTRACTOR, including all state assessment results pursuant to the requirements of Education Code section 52052; (2) whether or not the needs of the student continue to be best met at the NPS; and (3) whether changes to the student's IEP are necessary, including whether the student may be transitioned to a public school setting. (California Education Code sections 56366 (a) (2) (B) (i) and (ii)) and pursuant to California Education Code section 56345 (b) (4).)

If the LEA student is to be transferred from a NPS setting into a regular class setting in a public school for any part of the school day, the IEP team shall document a description of activities provided to integrate the student into the regular education program, including the nature of each activity as well as the time spent on the activity each day or week and a description of the activities provided to support the transition of the student from the special education program into the regular education program. Each student shall be allowed to provide confidential input to any representative of the individual IEP team. Except as otherwise provided in the Master Contract, CONTRACTOR and LEA shall participate in all IEP team meetings regarding students for whom ISAs have been or may be executed. At any time during the term of this Master Contract, the parent, the CONTRACTOR or the LEA may request a review of the student's IEP, subject to all procedural safeguards required by law, including reasonable notice given to, and participation of, the CONTRACTOR in the meeting. Every effort shall be made to schedule IEP team meetings at a time and place that is mutually convenient to parent, CONTRACTOR and LEA. CONTRACTOR shall provide to LEA assessments and written assessment reports by service providers upon request and/or pursuant to LEA policy and procedures. It is understood that attendance at an IEP meeting is part of CONTRACTOR'S professional responsibility and is not a billable service under this Master Contract.

It is understood that the CONTRACTOR shall utilize the approved electronic IEP system of the LEA for all IEP planning and progress reporting at the LEA's discretion. The LEA or SELPA may provide training for any CONTRACTOR to ensure access to the approved system. The CONTRACTOR shall maintain confidentiality of all IEP data on the approved system and shall protect the password requirements of the system. When a student dis-enrolls from the NPS/NPA, the NPS/NPA and LEA shall discontinue use of the approved system for that student.

Changes in any student's educational program, including instruction, services, or instructional setting provided under this Master Contract, may only be made on the basis of revisions to the student's IEP. In the event that the CONTRACTOR believes the student requires a change of placement, the CONTRACTOR may request a review of the student's IEP for the purposes of consideration of a change in the student's placement. Student is entitled to remain in the last agreed upon and implemented placement unless parent agrees otherwise or an Interim Alternative Educational Setting is deemed lawful and appropriate by LEA or OAH consistent with Section 1415 (k) of Title 20 of the United States Code.

33. SURROGATE PARENTS AND FOSTER YOUTH

CONTRACTOR shall recognize an LEA appointed surrogate parent assignments for students without parental representation, including unaccompanied homeless youths, in special education procedures pursuant to California Government Code Section 7579.5. Surrogate parents shall serve as the child's parent and have all the rights relative to the student's education that a parent has under the Individuals with Disabilities Education Act pursuant to *20 USC 1414-1482 and 34 CFR 300.1-*

300.756. A pupil in foster care shall be defined pursuant to California Education Code section 42238.01(b). The LEA shall annually notify the CONTRACTOR who the LEA has designated as the educational liaison for foster children. When a pupil in foster care is enrolled in a NPS by the LEA any time after the completion of the pupil's second year of high school, the CONTRACTOR shall schedule the pupil in courses leading towards graduation based on the diploma requirements of the LEA unless provided notice otherwise in writing pursuant to Section 51225.1.

34. DUE PROCESS PROCEEDINGS

CONTRACTOR shall fully participate in special education due process proceedings including mediations and hearings, as requested by LEA. Participation further includes the willingness to make CONTRACTOR's staff available for witness preparation and testimony as is necessary to facilitate a due process hearing. Such an invoice is subject to all conditions of this contract. At the discretion of the LEA, an electronic invoice may be required provided such notice has been made in writing and training provided to the CONTRACTOR at no additional charge for such training.

Invoices shall be submitted no later than thirty (30) days after the end of the attendance accounting period in which the services were rendered. LEA shall make payment to CONTRACTOR based on the number of billable days of attendance and hours of service at rates specified in this contract within forty-five (45) days of LEA's receipt of properly submitted hard copy of invoices prepared and submitted as specified in California Education Code Section 56366.5 and the LEA. CONTRACTOR shall correct deficiencies and submit rebilling invoices no later than thirty (30) calendar days after the invoice is returned by LEA. LEA shall pay properly submitted re-billing invoices no later than forty-five (45) days after the date a completely corrected re-billing invoice is received by LEA.

In no case shall initial payment claim submission for any Master Contract fiscal year (July through June) extend beyond December 31st after the close of the fiscal year. In no case shall any rebilling for the

Master Contract fiscal year (July through June) extend beyond six (6) months after the close of the fiscal year unless approved by the LEA to resolve billing issues including re-billing issues directly related to a delay in obtaining information from the Commission on Teacher Credentialing regarding teacher qualification, but no later than twelve (12) months from the close of the fiscal year. If the billing or re-billing error is the responsibility of the LEA, then no limit is set provided that the LEA and CONTRACTOR have communicated such concerns in writing during the 12-month period following the close of the fiscal year. LEA will not pay mileage for NPA employee.

57. RIGHT TO WITHHOLD PAYMENT

LEA may withhold payment to CONTRACTOR when: (a) CONTRACTOR has failed to perform, in whole or in part, under the terms of this contract; (b) CONTRACTOR has billed for services rendered on days other than billable days of attendance or for days when student was not in attendance and/or did not receive services; (c) CONTRACTOR was overpaid by LEA as determined by inspection, review, and/or audit of its program, work, and/or records; (d) CONTRACTOR has failed to provide supporting documentation with an invoice, as required by EC 56366(c)(2); (e) education and/or related services are provided to students by personnel who are not appropriately credentialed, licensed, or otherwise qualified; (f) LEA has not received prior to school closure or contract termination, all documents concerning one or more students enrolled in CONTRACTOR's educational program; (g) CONTRACTOR fails to confirm a student's change of residence to another district or confirms the change of residence to another district, but fails to notify LEA within five (5) days of such confirmation; or (h) CONTRACTOR receives payment from Medi-Cal or from any other agency or funding source for a service provided to a student. It is understood that no payments shall be made for any invoices that are not received by six (6) months following the close of the prior fiscal year, for services provided in that year.

Final payment to CONTRACTOR in connection with the cessation of operations and/or termination of a Master Contract will be subject to the same documentation standards described for all payment claims for regular ongoing operations. In addition, final payment may be withheld by the LEA until completion of a review or audit, if deemed necessary by the LEA. Such review or audit will be completed within ninety (90) days. The final payment may be adjusted to offset any previous payments to the CONTRACTOR determined to have been paid in error or in anticipation of correction of documentation deficiencies by the CONTRACTOR that remain uncorrected.

The amount which may be withheld by LEA with respect to each of the subparagraphs of the preceding paragraph are as follows: (a) the value of the service CONTRACTOR failed to perform; (b) the amount of overpayment; (c) the portion of the invoice for which satisfactory documentation has not been provided by CONTRACTOR; (d) the amount invoiced for services provided by the individual not appropriately credentialed, licensed, or otherwise qualified; (e) the proportionate amount of the invoice related to the applicable pupil for the time period from the date the violation occurred and until the violation is cured; or (f) the amount paid to CONTRACTOR by Medi-Cal or another agency or funding source for the service provided to the student.

If LEA determines that cause exists to withhold payment to CONTRACTOR, LEA shall, within ten (10) business days of this determination, provide to CONTRACTOR written notice that LEA is withholding payment. Such notice shall specify the basis or bases for LEA's withholding payment and the amount to be withheld. Within thirty (30) days from the date of receipt of such notice, CONTRACTOR shall take all necessary and appropriate action to correct the deficiencies that form the basis for LEA's withholding payment or submit a written request for extension of time to correct the deficiencies or submit to LEA written documentation demonstrating that the basis or bases cited by the LEA for withholding payment is unfounded. Upon receipt of CONTRACTOR's written request showing good cause, LEA shall extend CONTRACTOR's time to correct deficiencies (usually an additional thirty (30) days), otherwise payment will be denied.

If after subsequent request for payment has been denied and CONTRACTOR believes that payment should not be withheld, CONTRACTOR shall send written notice to LEA specifying the reason it believes payment should not be withheld. LEA shall respond to CONTRACTOR's notice within thirty (30) business

days by indicating that a warrant for the amount of payment will be made or stating the reason LEA believes payment should not be made. If LEA fails to respond within thirty (30) business days or a dispute regarding the withholding of payment continues after the LEA's response to CONTRACTOR's notice, CONTRACTOR may invoke the following escalation policy.

After forty-five (45) business days: The CONTRACTOR may notify the Authorized LEA's Representative of the dispute in writing. The LEA Authorized Representative shall respond to the CONTRACTOR in writing within fifteen (15) business days.

After sixty (60) business days: The LEA or CONTRACTOR may appeal to the County Superintendent of Schools so long as the County Superintendent of Schools is not participating in the Local Plan involved in the NPS/A contract, or a mutually agreed upon mediator. Both parties agree to pay for their own costs and expenses arising out of such mediation. Each party agrees to act in good faith in participating in any mediation process agreed to by the parties.

58. PAYMENT FROM OUTSIDE AGENCIES

CONTRACTOR shall notify LEA when Medi-Cal or any other agency is billed for the costs associated with the provision of special education and/or related services to students. Upon request, CONTRACTOR shall provide to LEA any and all documentation regarding reports, billing, and/or payment by Medi-Cal or any other agency for the costs associated with the provision of special education and/or related services to students. CONTRACTOR shall provide prior written notice of the rights and protections required by Title 34 of the Code of Federal Regulations section 300.154(d) whenever it seeks to use the LEA students' public benefits to pay for special education and related services. Such notice shall be provided before seeking payment from Medi-Cal for the first time and annually.

LEA will not pay for instruction and/or services unless said instruction or service is provided by an appropriately credentialed substitute teacher.

Whenever a related service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute. LEA will not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of "make-up" services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided unless otherwise agreed in student's IEP.

LEA shall not be responsible for payment of related services for days on which a student's

attendance does not qualify for Average Daily Attendance (“ADA”) reimbursement under state law, nor shall student be eligible for make-up services.

NONPUBLIC AGENCY STAFF ABSENCE

When CONTRACTOR is a nonpublic agency and CONTRACTOR’s service provider is absent, CONTRACTOR shall provide a qualified (as defined in Section 7 of this agreement and as determined by LEA) substitute, unless LEA provides appropriate coverage in lieu of CONTRACTOR’s service providers. LEA shall not pay for services unless a qualified substitute is provided and/or CONTRACTOR provides documentation evidencing the provision of “make-up” services by a qualified service provider within thirty (30) calendar days from the date on which the services should have been provided. CONTRACTOR shall not “bank” or “carry over” make up service hours under any circumstances, unless otherwise agreed to in writing by CONTRACTOR and LEA. In the event services were not provided, reasons for why the services were not provided shall be included.

NONPUBLIC AGENCY STUDENT ABSENCE

If CONTRACTOR is a nonpublic agency, it shall notify LEA of the absence of a student no later than the fifth (3rd) consecutive service day of the student’s absence. LEA shall not be responsible for the payment of services when a student is absent.

60. LEA and/or NONPUBLIC SCHOOL CLOSURE DUE TO EMERGENCY

The following shall apply in the event of a LEA or NPS school closure due to an emergency consistent with guidelines followed by LEAs in accordance with Education Code sections 41422 and 46392:

- b. NPS School Closure- In the event of a NPS School Closure for the reasons set forth in Education Code section 41422, if the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance due to CONTRACTOR’S school closure. If the LEA is unable to obtain an alternative placement, CONTRACTOR shall receive payment consistent with the student’s approved ISA, as though the student were continuing his/her regular attendance, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions.
- c. LEA and NPS School Closure- In the event of the LEA and NPS School Closures, on days the LEA is funded, CONTRACTOR shall receive payment consistent with the student’s approved ISA, until an alternative placement can be found and implement LEA student IEP in accordance with Education Code section 56345(a)(9) pertaining to emergency conditions. If the LEA is able to obtain alternative placement for the student, CONTRACTOR shall not receive payment for days the student is not in attendance with CONTRACTOR due to CONTRACTOR’S school closure.
- d. When the emergency school closure is lifted, CONTRACTOR shall notify the LEAs it serves of any lost instructional minutes. CONTRACTOR and LEAs shall work collaboratively to determine the need for make-up days or service changes, and shall work together to amend IEP and ISA paperwork as appropriate.

CONTRACTOR shall obtain from its subcontractors and suppliers written agreements to the requirements of this section and shall provide a copy of such agreements to LEA upon request by LEA.

If an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm determines that CONTRACTOR owes LEA monies as a result of CONTRACTOR's over billing or failure to perform, in whole or in part, any of its obligations under this Master Contract, LEA shall provide to CONTRACTOR written notice demanding payment from CONTRACTOR and specifying the basis or bases for such demand. Unless CONTRACTOR and LEA otherwise agree in writing, CONTRACTOR shall pay to LEA the full amount owed as a result of CONTRACTOR's over billing and/or failure to perform, in whole or in part, any of its obligations under this Master Contract, as determined by an inspection, review, or audit by LEA, a state agency, a federal agency, and/or an independent agency/firm.
