Highly Capable Program Annual Plan – Tow-Yick / Bailey / Reynvaan

**Action to be taken:                    I move the Board authorize the District's Highly Capable Program Plan, as presented.**

OSPI requires School Board approval of the District's Highly Capable Program Annual Plan under WAC 392-170-025.

The grant application is a renewal. State funding received will provide a portion of the budget for our district's Highly Capable Program. The anticipated allocation amount based on the prior year funding formula for the Issaquah School District this year is \$681,705.
