

Kaushik C. Joglekar

Kaushik C Joglekar serves as a proud Trustee for the Oak Grove School District, representing Area 3. With a deep commitment to educational equity, transparency, and student success, he works closely with fellow board members, the superintendent, and the community to ensure every student has access to a high-quality learning environment. He advocates for responsible fiscal oversight, supports inclusive policies, and champions the thoughtful integration of technology to enhance teaching and learning.

Born in Pune, India, and raised in San Jose California, Kaushik C Joglekar is a product of the Oak Grove School District and East Side Union High School District, having attended San Anselmo Elementary, Davis Junior High, and Oak Grove High School. He earned his bachelor's degree in Political Science from San José State University, followed by a Micro MBA from IBM, a Master's in Project Management from George Washington University, and is currently pursuing a graduate certificate in Artificial Intelligence at Stanford University.

Professionally, Kaushik brings over 20 years of leadership experience in both technology and public service. He currently leads IT procurement and modernization for the California Department of Justice, overseeing the Firearms IT Modernization Project. Previously, he held leadership roles at IBM and Dell Technologies, where he led global teams, launched education initiatives, and developed AI-driven tools. In addition to his career in tech, he has served as an adjunct professor in computer science and actively volunteers on school committees focused on consolidation, early childhood education, and library services. As a longtime San Jose resident, parent of 2 children who also have or are attending OGSD, and community advocate, he is deeply committed to ensuring all students—regardless of background—have the opportunities and support they need to thrive.
