Francis A. March Elementary School

NOVEMBER 2023

The March staff and students have been working hard using their iPads to further their learning in Math, Social Studies, and more. See page two for some student examples!

NOVEMBER TECH TUESDAYS

Mrs. VanFleet's class and Mrs. Laslo's class took a Noun Walk to find common and proper nouns in their classrooms. They labeled their pictures to show which kind of nouns they found!

Mr Moussa's class created Thankful cards using Canva.

Mrs. Gutshall's students created arrays of baked good using Keynote and included a repeated addition fact.

Congrats to the following teachers for achieving Apple Teacher recognition!

Stacey Chunko
Rachel Gutshall
Jamie Laslo
Caitlin Linsenmann
Karen Pasquel

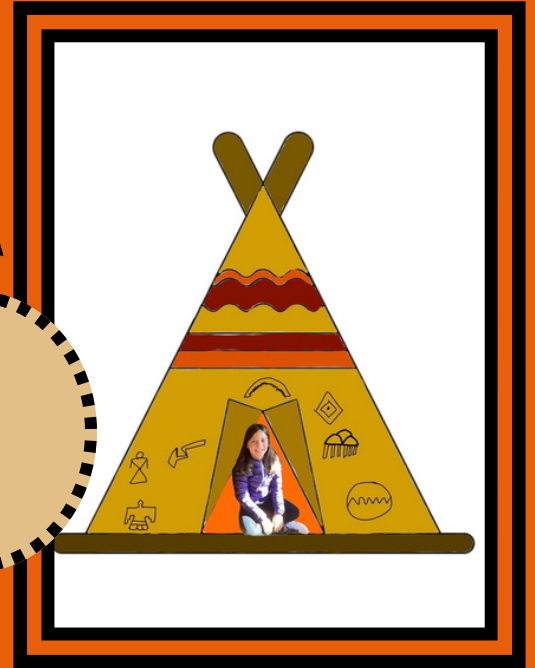

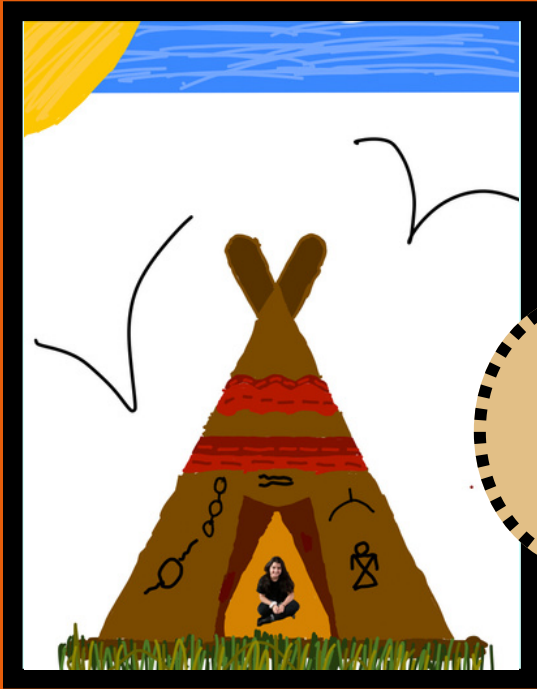

and to Stacey Chunko & Caitlin Linsenmann who are also certified Apple Learning Coaches!

FOURTH GRADE

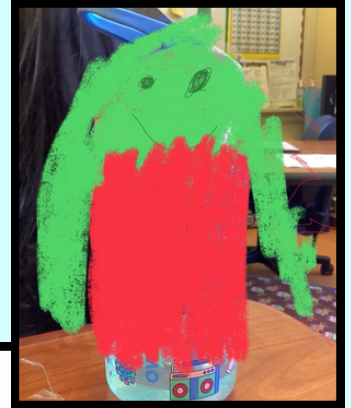

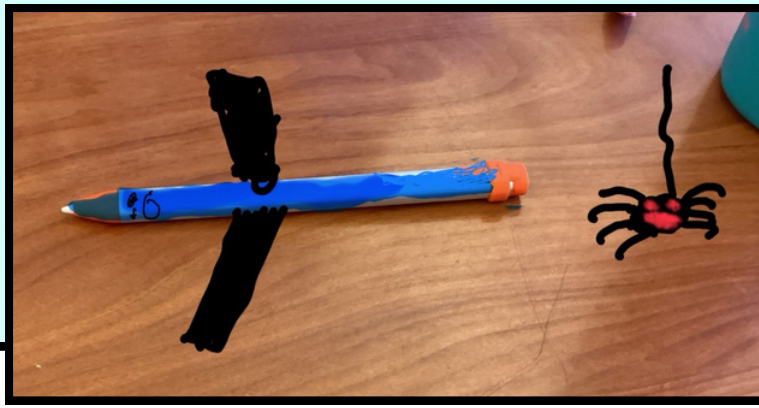

Native American
symbols writing

Personification using Markup

Thankful Thoughts

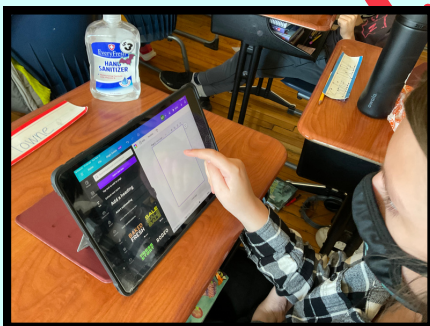

First Grade also learned Personification using Markup

2nd graders used Keynote to build arrays with bakery items.
5th grade made Thankful cards using Canva. 1st grade took a noun walk and marked up photos with common and proper nouns :)

Happy Thanksgiving!!
