maryb@unitedwayglv.org

*Children will gain the skills
needed to:*

- prepare for their teen years.
- communicate with their parents.
- deal with stress and peer pressure.
- avoid alcohol and drug problems.

*Adults enhance their
parenting skills by learning
to:*

- set limits and show love.
- make house rules.
- encourage good behavior.
- protect their children from substance abuse.
- handle stress.

Sponsored by Easton Area Middle School, Penn State Extension, and Valley Youth House
