However, a refund of a student's second semester fees will be available to day student families who are subject to physical relocation if:

- A completed Withdrawal Form is received by the TASIS England Admissions Office no less than 60 days prior to the end of the first semester; and
- TASIS England has accepted a replacement student in the same grade and program to take the place of the withdrawing student, and that the replacement student begins classes at the start of the second semester.

No refund is available for students who have voluntarily withdrawn due to the enactment of a disciplinary process. Full details of our withdrawal policy and procedure can be found in the Admissions Policy on our website.

No reduction of fees will be granted in respect of a student's absence from school.

No records, recommendations, or reports will be released until all financial obligations have been met.
