

OAKHILL SUMMER READING CHALLENGE

Embark on a Summer of Epic Adventures—One Minute at a Time

Dear Oakhill Families -

Are you ready to dive into a summer filled with stories, adventures, and unforgettable characters?

This summer, everyone is invited to join our summer reading challenge—from our littlest pretoddlers to our oldest 8th-graders —and guess what? Teachers and administrators are jumping into the fun too! Let's make this summer of reading the best EVER!

Whether you're solving mysteries by flashlight, relaxing in a hammock with an entertaining graphic novel, sharing family bedtime stories, or making road trips unforgettable with audiobooks, every minute of reading adds to your adventure. Audiobooks, picture books, chapter books, magazines, and even comic books count—if you're reading it, we're counting it!

We can't wait to tally up the minutes when we get back to school in the fall! For every 140 minutes of reading, readers will earn a raffle ticket. We'll draw from those raffle tickets the first week of September. **TWENTY** lucky readers will win fun prizes! The **TOP THREE** readers who logged the most minutes will each receive \$20 to spend at our book fair in October.

So, grab your books, queue up those audiobooks, and let's make this summer epic. We'll explore new worlds, solve thrilling mysteries, and celebrate the joy of reading—one minute at a time!

Happy Reading,
Ms. Gunderson & Mrs. Verwers
