# Health Savings Account

ADMINISTRATOR: AMERICAN FIDELITY

	2025
Employee Only	\$4,300
Employee +1 or More	\$8,550
Age 55+ Catch-up Contribution	\$1,000

## What is an HSA?

A Health Savings Account is an individually owned, earnings-bearing account to help pay for future qualified medical expenses with tax-free dollars.

## Where do I open my HSA?

It is up to you to determine where you would like to open your Health Savings Account. Most banks have the option, and—if you choose your employer-sponsored program through American Fidelity—you can contribute to your HSA on a pre-tax basis through payroll deductions.

## What expenses are eligible for reimbursement?

HSA dollars may be used for qualified medical expenses incurred by the account holder and his/her spouse and IRS dependents. Qualified medical expenses are outlined within IRS Section 213(d), which states that “the expense has to be primarily for the prevention or alleviation of a physical or mental defect or illness.”

## WHO QUALIFIES?

An HSA owner must be enrolled in an HSA-eligible High Deductible Health Plan (HDHP). You cannot be enrolled in Medicare or another plan that is not qualified, or be a tax dependent on someone else's taxes.

## HOW DO I MANAGE MY HSA?

Your HSA is your account and the dollars are your dollars. Since you are the account holder, you manage your HSA. You may choose when to use your HSA dollars or when not to use your HSA dollars. HSA dollars pay for any eligible medical expense.

In addition to qualified medical expenses, the following insurance premiums may be reimbursed from an HSA:

- ▶ COBRA premiums
- ▶ Health insurance premiums while receiving unemployment benefits
- ▶ Qualified long-term care premiums
- ▶ Any health insurance premiums paid, other than for a Medicare supplemental policy, by individuals ages 65 and over

### **Are dental and vision care considered qualified medical expenses under an HSA?**

Yes, as long as these are deductible under the current rules. For example, cosmetic procedures, like cosmetic dentistry, would not be considered qualified medical expenses.

### **Can I use my HSA dollars for non-eligible expenses?**

Money withdrawn from an HSA to reimburse non-eligible medical expenses is taxable income to the account holder and is subject to a 20% tax penalty. The exception to this rule is if the account holder is over age 65, disabled, or upon death of the account holder.

### **When can I start using my HSA dollars?**

You can use your HSA dollars immediately following your HSA account activation and once contributions have been made.

### **When do I contribute to my HSA, and how often?**

You, your employer, or others can contribute to your HSA through payroll deductions or as a lump-sum deposit. You can contribute as often as you like, provided you and your employer's total annual contributions do not exceed the contribution limits shown above.

### **What if I have HSA dollars left in my account at the end of the year?**

The money is yours to keep. It will continue to earn interest and will be available for you and your healthcare costs next year. Any dollars left in your HSA at year-end will automatically roll over.

### **What happens to my HSA dollars if I leave my employer?**

The funds are yours to keep! It is your account and you manage it as you see appropriate.

### **Can I use my money in my account to pay for my dependents' medical expenses?**

You can use the money in the account to pay for the medical expenses of yourself, your spouse, and your dependents. You can pay for expenses for your spouse and dependents even if they are not covered by your HDHP.

### **Who qualifies as a dependent?**

A person generally qualifies as your dependent for HSA purposes if you claim them as an exemption on your Federal tax return. Please see IRS publication 502 for exceptions. [www.irs.gov/pub/irs-pdf/502](http://www.irs.gov/pub/irs-pdf/502)

### **Can couples establish a "joint" account and both make contributions to the account, including "catch-up" contributions?**

"Joint" HSAs are not permitted. Each spouse should consider establishing an account in his or her own name. This allows you to both make catch-up contributions when you are 55 or older.

# Flexible Spending Account

## ADMINISTRATOR: AMERICAN FIDELITY

Medical Flex Spending Accounts offer the opportunity to pay for known healthcare expenses on a pre-tax basis and are available to those that enroll in the Traditional PPO (not HSA-qualified) plan. The maximum annual contribution you can make to the medical FSA is \$3,300. The amount you choose to contribute is an irrevocable annual election without a qualifying event. The annual amount elected is deducted in equal installments via payroll on a pre-tax basis, but the entire amount is available at the beginning of each year. This is a use-it-or-lose-it account, so be sure to estimate your expenses accordingly.

Dependent Care Flex Spending Accounts offer the opportunity to pay for qualified daycare on a pre-tax basis in the same fashion as the medical FSA. The maximum annual contribution to this account is \$5,000. The purpose is to allow you to pay for qualified child care, elder care, or handicapped dependent care required while you or your spouse are employed. This is also a use-it-or-lose-it plan.

**REMINDER:** Debit card users are still required by the IRS to submit proof of flex claims.

Visit [www.AmericanFidelity.com/MyMoneyFaster](http://www.AmericanFidelity.com/MyMoneyFaster) to learn more about:

- ▶ Submitting flex claims online
- ▶ Submitting receipts for debit card swipes (IRS requirements)
- ▶ Getting your flex reimbursements faster
- ▶ All your flex plan options

# Important Legal Notices Affecting Your Health Plan Coverage

## Initial and Annual Enrollment Notices – Guide

### The Women’s Health Cancer Rights Act Of 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ▶ All stages of reconstruction of the breast on which the mastectomy was performed;
- ▶ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ▶ Prostheses; and
- ▶ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, the following deductibles and coinsurance apply.

### Newborns Act Disclosure – Federal

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### Notice Of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a state CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- ▶ Coverage is lost under Medicaid or a state CHIP program; or
- ▶ You or your dependents become eligible for a premium assistance subsidy from the state.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance. To request special enrollment or obtain more information, contact the person listed at the end of this summary.

## Wellness Program Disclosure

If it is unreasonably difficult due to a medical condition for you to achieve the standards for the reward under this program, or if it is medically inadvisable for you to attempt to achieve the standards for the reward under this program, call us at the telephone number listed at the end of this document and we will work with you to develop another way to qualify for the reward.

## Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your state's Medicaid or CHIP office to find out if premium assistance is available. If you or your dependents are NOT currently enrolled in Medicaid or CHIP and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office, dial 1-877-KIDS NOW, or visit [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your state for more information on eligibility.

# General Notice of COBRA Continuation Coverage Rights

## Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

## What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- ▶ Your hours of employment are reduced, or
- ▶ Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- ▶ Your spouse dies;
- ▶ Your spouse's hours of employment are reduced;
- ▶ Your spouse's employment ends for any reason other than his or her gross misconduct;
- ▶ Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- ▶ You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- ▶ The parent-employee dies;
- ▶ The parent-employee's hours of employment are reduced;
- ▶ The parent-employee's employment ends for any reason other than his or her gross misconduct;
- ▶ The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- ▶ The parents become divorced or legally separated; or
- ▶ The child stops being eligible for coverage under the Plan as a "dependent child."

### When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- ▶ The end of employment or reduction of hours of employment;
- ▶ Death of the employee;
- ▶ The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to the Plan Administrator. Any notice you provide must state the name of the Plan or Plans under which you lost or are losing coverage, the name and address of the employee covered under the plan, the name(s) and address(es) of the qualified beneficiary(ies), and the qualifying event and the date it occurred. The Plan Administrator will direct you to provide the appropriate documentation to show proof of the event.

## How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

### ***Disability extension of 18-month period of COBRA continuation coverage***

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. If you believe you are eligible for this extension, contact the Plan Administrator.

### ***Second qualifying event extension of 18-month period of continuation coverage***

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

## Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period<sup>1</sup> to sign up for Medicare Part A or B, beginning on the earlier of

- ▶ The month after your employment ends; or
- ▶ The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

## If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest regional or district office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of regional and district EBSA offices are available through EBSA's website.) For more information about the Marketplace, visit [www.HealthCare.gov](http://www.HealthCare.gov).

## Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.
