

**Gunnison Watershed School District (GWSD)**  
**Student and Parent/Guardian: Responsible Use Agreement for use of Devices**

**At-Home and/or at Marble Charter School**

Parents and students must read and agree to the expectations below to use a GWSD device at home.

**Student Responsibilities**

1. Students will use GWSD and the Marble Charter School devices only for school-related activities.
2. Care and Handling
  - a. Students must keep their devices secure and ensure that they are always prepared for academic use.
  - b. Students must report any issues promptly.
  - c. Students may not modify device management software installed by GWSD and the Marble Charter School.
3. Loss or Damage
  - a. The device is provided to the student for use and is the student's responsibility, including replacement, in the event of theft or damage.
  - b. The student must report any issues to the school administration immediately and may be required to complete a police report.
  - c. GWSD and the Marble Charter School do not provide insurance coverage for devices checked out to students.
4. As respectful, responsible, and safe digital citizens, students will:
  - a. Keep personal information private.
  - b. Encourage others to be responsible digital citizens.
  - c. Respect the work of other individuals.

**Parent/Guardian Responsibilities**

1. Parents/Guardians will support students in their care and handling of the GWSD and the Marble Charter School device.
2. Parents/Guardians will talk with their students about using their devices as a good digital citizen.
3. Parents/Guardians will monitor their students' use of this device, including internet content.
4. Parents/Guardians will communicate to the school any concerns related to the device.
