Thank you for your interest in our schools. We often receive inquiries about our non-profit status. Please accept this letter as certification that the Tracy Unified School District qualifies as a not-for-profit organization. We are a state educational institution, which is considered a political subdivision of the State of California. Because of this, we are considered a non-profit state entity rather than a private 501(c)(3) non-profit organization. Donations and private grants made to our schools are tax deductible under these statutes.

If you have further questions, please feel free to contact Carmine Sousa at 209-830-3230. Thank you.

Sincerely,

Tania Salinas
Associate Superintendent for Business Services
