

NEW!

Join the WestEd AI Summer Sandbox for STEM Educators

Summer 2025 Professional Learning

Register Today!

This no-cost, virtual series is designed to empower K–12 teachers to integrate generative AI tools into their instructional practices. Whether educators are new to AI or already exploring its classroom applications, this program offers valuable insights and hands-on experience.

REGISTRATION: Interested educators can register for free here: [AI Summer Sandbox Registration](#)

DATES:

**WEDNESDAYS, JULY
9–30, 2025**

TIME: 1:00–3:00 P.M.

Weekly Themes:

1. **Designing for Mathematical Practices** – Leveraging AI to enhance problem-solving and reasoning skills.
2. **Designing for Student Discourse** – Utilizing AI to foster rich classroom conversations and collaborative learning.
3. **Designing for Relevance and Engagement** – Creating authentic, student-centered learning experiences with AI.
4. **Designing for Innovation and Agency** – Empowering students to take ownership and explore mathematics through AI tools.
