Enroll Your Child in the Dual Language Immersion Program Today!

Selma Unified's Dual Language Immersion (DLI) Program is helping young students become bilingual, biliterate, and culturally confident—all while mastering the same rigorous academic standards as their peers. Now is the time to enroll your child in the DLI program, located at Eric White Elementary School.

Whether your child's home school is Indianola, Jackson, or any other campus, transportation is now provided at no cost. Students accepted into the DLI program will be bused from their home school to Eric White, making it easier than ever for families across Selma to participate.

In the DLI program, students learn to think, speak, read, and write in both English and Spanish through an enriching and inclusive learning experience. Research shows that students in dual language programs often outperform their peers in literacy and problem-solving while gaining a lifelong advantage in communication and cultural understanding.

Spots are still available for incoming kindergarten students. Don't miss this opportunity—scan the QR code to fill out the interest form today. After submitting the form, you'll receive a phone call from the district office to complete your child's enrollment.

¡Inscriba a su Hijo/a hoy en el Programa de Inmersión en Dos Idiomas!

El Programa de Inmersión Bilingüe (DLI) del Distrito Escolar Unificado de Selma ayuda a los jóvenes estudiantes a ser bilingües, alfabetizados en dos idiomas y a adquirir confianza cultural, a la vez que dominan los mismos rigurosos estándares académicos que sus compañeros. Es el momento de inscribir a su hijo/a en el programa DLI, ubicado en la Escuela Eric White.

Ya sea que la escuela de su hijo/a sea Indianola, Jackson o cualquier otra escuela, el transporte ahora es gratuito. Los estudiantes aceptados en el programa DLI serán trasladados en autobús desde su escuela de origen hasta Eric White, lo que facilita más que nunca la participación de las familias de Selma.

En el programa DLI, los estudiantes aprenden a pensar, hablar, leer y escribir tanto en inglés como en español mediante una experiencia de aprendizaje enriquecedora e inclusiva. Las investigaciones demuestran que los estudiantes en programas de lenguaje dual suelen superar a sus compañeros en lectoescritura y resolución de problemas, a la vez que adquieren una ventaja permanente en comunicación y comprensión cultural.

Aún hay lugar disponible para los estudiantes que ingresan a kínder. No se pierda esta oportunidad: escanee el código QR para completar el formulario de interés hoy mismo. Después de enviar el formulario, recibirá una llamada telefónica de la oficina del distrito para completar la inscripción de su hijo/a.
