COMMENTS ON COMPONENTS OF AND CHANGES TO FUND BALANCE FOR THE FISCAL YEAR AND RESERVE FUNDING PLAN

Definition: A reserve fund is a separate account established by a school district to finance the cost of various objects or purposes of the school district.

General Fund Restricted Fund Balance:

1. Reserve for Workers' Compensation:

Purpose: This reserve may be used to pay for compensation benefits and other expenses authorized by Article 2 of the Workers' Compensation Law and for payment of expenses of administering the self insured program.
Explanation for change: The remaining balance was fully utilized in 2013-14.
Other Comments: This reserve does not require voter approval either to create or expend.
Funding: Due to the District's participation in the Nassau County Workers' Compensation Cooperative as of November 2010 and the subsequent wind-down of tail claims incurred prior to that date, there is no need to add funds to this reserve.

2. Reserve for Retirement Contribution/TRS Sub Fund:
Purpose: This reserve is used to fund retirement contributions payable to ERS - the NYS and Local Employees Retirement System and TRS--the NYS Teachers Retirement System.
Explanation for change: The District allocated $750,000 of surplus 2023-24 budget year-end funds to support the reserve and offsetting of future TRS expenses.
Other Comments: This reserve fund does not require voter approval either to create or expend.
Funding: Because the District participates in the ERS Stable Contribution Option, it is not anticipated that the District will place additional funds in this reserve at this time. Due to projected changes in TRS contribution rates, the District is allocating $150,000 toward the 2025-26 budget.

3. Reserve for Repairs:
Purpose: This reserve may be used to pay the cost of repairs to capital improvements or equipment of a type which does not recur annually or at shorter intervals.
Explanation for change: The 2023-24 and 2024-25 Budget did not provide for a transfer to the Repair Reserve. Interest allocation of $37,682 accounts for the increase at FYE 24. The District approved a transfer of $170,792.56 from the Repair reserve in November 2024, and is allocating $172,000 for the Repair Reserve in the 2025-26 budget.
Other Comments: This fund was established through voter approval for funding in 1990. Funds may be spent without voter approval, but only after a public hearing, except in emergency situations. In the case of an emergency, expenditures may be authorized by a two-thirds vote of the school Board, but the amount must be repaid to the reserve over the ensuing two years.
Funding/Usage: Voter approval is required to transfer funds to the reserve for repairs. A portion of the repair reserve was used in 2022-23. $170,792.56 was approved for usage in November 2024. Any usage would be subject to Board of Education approval, after a public hearing.

Purpose: This reserve may be used to reimburse the State Unemployment Insurance Fund for payments made to claimants.
