Trustee Agenda Item Questions & Answers

Item C-7, Approve the Progress Monitoring Calendar

Q: When can the board and community expect to see a completed set of goals and guardrails with specific targets (i.e., instead of X% and Y%)?

A: Targets will be completed upon the establishment of the baseline percentage. Dates are noted on the calendar during the specific month associated with the individual interim goal/guardrail. For example, the Literacy Intervention interim goal #1 (LI1) and several others will have baseline established in August 2025, also allowing for the finalization of the target.

Item C-11, Approve Retiree Contracts for the 2024/25 and 2025/26 School Years

Q: Why is "N/A" listed as the response to Number 8 (Expected Results/Student Outcomes) on the Retiree Contract Checklist for these contracts? Are these expenses tied to student outcomes or not?

A: These contracts are for retired music teachers to provide music instruction to students in grades K-6. These credentialed teachers are trained in music and student learning styles. Future retiree contracts will include this detail.

Item C-17, Approve Agreement with DoubleTree by Hilton ($31,319. for a one-day training for 450 staff):

Q: Why can't the mandatory training on 8/7/2025 for 450 staff be held at the FUSD Nutrition Center facility or another district facility to save money?

A: Currently there is not a district facility with capacity to provide training for 450 staff. Upon the completion of the District Professional Learning Center at the Farber complex, this type of large-scale training may be offered at our facility. This annual training for all of the Nutrition Services staff is provided utilizing grant funding.
