What should I do if my child is sick?

If your child is unwell you must inform the school. This is best done via Toddle/Managebac or through an email to your child's class teacher/ homeroom teacher. You can also do so through the school's front office on this email reception@icsparis.fr or by calling +33 01 56 56 60 70

Our communication tree indicates who you should go to for specific information, to ask questions or to raise concerns. We ask all parents to respect the communication tree and the escalation process
