

Dear Parents/Guardians,

Summer is here! In the midst of your sun and fun, please encourage your child to read 20-30 minutes each day. Children who don't read during the summer can lose up to one month of their instruction, while children who DO read come back to school ready to learn! Attached is a fun summer reading challenge your student may choose to participate in. This packet has everything you need to encourage your child to read this summer. If your child reads over the summer, please have them hand in this packet to their homeroom teacher by Friday, September 12th.

Keep Reading,

Kathleen Madison
