Announcements & Points of Pride

- Mr. Lilleck shared the following:
 - On Friday, September 20, the ribbon cutting was held for the Quaker Stadium Athletic Complex to celebrate its completion. In May of 2022, the community overwhelmingly supported this project with an 82% approval rating in May of 2022. Thanks to the careful planning and fiscal management of the Board and the district, were able to accomplish this without any additional tax impact on our community.
 - Homecoming was held on September 27th and 28th. The weekend included the pep-rally, girl's flag football game, parade, carnival, Hall of Fame induction, and Homecoming Dance. He thanked everyone who helped make these events a success.
 - Congratulated Liz Love, Ellicott elementary STEM teacher, who was awarded a grant from NYSCATE for the Reimagine Play: Board Game Design with Glowforge. With the guidance of Alie Kuitems and Elizabeth Andros, Liz submitted her STEAM Club Project, "Board Game Design with Glowforge," which she and Kate Ebling led with 3rd-grade students at Ellicott.

ANNOUNCEMENTS & POINTS OF PRIDE

October 8, 2024

- Earlier today, Ellicott Elementary hosted an assembly where Crayola reunited former Ellicott student Kailey Artiles with artwork she created in 1997. Joining Crayola was Buffalo Bills' player Mack Hollins. The event celebrated creativity and its impact on children's lives, with the highlight being the return of Kailey's artwork, which has been pat Crayola's headquarters.
- CPI training for 18 members of our staff who work with some of our neediest students participated in a day of Crisis Prevention Intervention (CPI), which is a series of strategies and proactive planning to help with student behavior and success. One of our in-house Behavioral Specialists, Becky Setera, led the training. This is a great example of our continued focus on inclusion through our DCIP plan.
- October 1, the Board participated in a leadership retreat where we discussed group norms, good governance tied to our DCIP.
