Give the total for all contributions received during the period of time covered by this report. Contributions should be listed by type (money or in-kind) rather than contributor. See note on contribution limits on the back of this form. Use a separate sheet to itemize all contributions from a single source that exceeded \$100 during the calendar year. This itemization must include name, address, employer or occupation if self-employed, amount and date for these contributions.

Include the amount, date and purpose for all disbursements made during the period of time covered by report.
Attach additional sheets if necessary.

Corporations must list any media project or corporate message project for which contribution(s) or expenditure(s) total more than \$200. Submit a separate report for each project. Attach additional sheets if necessary.
