What is Jump Start?

Jump Start is a FREE school orientation experience to welcome Transition to Kindergarten, Kindergarten, and (new) First Grade students and their families to the Shiloh Hills Elementary community. Children will participate in typical kindergarten classroom activities, tour the school, meet school staff, eat breakfast and lunch, and experience outdoor play just like they will during recess. The goal of this fun, positive experience is to help our students feel safe, supported, and ready to learn!

When and how do we sign up?
