Hello
It's inaccurate to state that it's available on the district website.
I've already looked through a full year of meetings leading up to the adoption of the new policy.

I submitted the legally required FOIA request, you have repeatedly directed me to submit, for any information and as such I'm going to expect your office to provide it to me.

I'm unsure why now for some reason you arbitrarily are choosing not to provide me with the information that I've requested. But I'm going to consider it a form of retaliation and discrimination against me personally.

Feel free to send me a link to any meeting where it was discussed and voted on, in the meeting minutes, or provide me with a hard copy of the meeting minutes.

Thank you!

Regards,

David Cook
