Department of Student Services Hosts Three Moving With Taste Events

JONESBORO - The Clayton County Public Schools (CCPS) Department of Student Services hosted the first of three Moving with Taste community events in late April at the Live in Lodge Extended Stay in Riverdale. The Live In Lodge is where many of our CCPS families live. Additional Moving With Taste events were held in Jonesboro and Forest Park during the month of May.

The Moving with Taste events aim to provide direct services to families who are displaced and living in extended-stay hotels. Families received hot food via food trucks and a home-cooked meal from the Douglas Brothers Foundation. Other essentials such as water, nonperishable, shelf-stable quick meals, and personal hygiene packets were distributed. Community partners and were also on hand to share information about vital resources.

Please join CCPS as we express our appreciation to the district's Department of Student Services, under the leadership of Dr. Angela Horrison-Collier, for creating and continuing this remarkable outreach opportunity. Thanks are also shared with all the partners and volunteers who helped to make Moving with Taste happen.
