President's Report - June 17, 2025

Hi and good evening Rye Neck. I'm going to keep tonight's remarks short and sweet as we have many exciting and celebratory milestones to commemorate.

Tonight we toast staff, teachers, a coach and one VIP administrator who have dedicated their lifelong careers to Rye Neck. We offer our immense gratitude for your years of dedication to education, commitment to leaving our Rye Neck community better than you found it, and for the positive influence you had on our students' lives. You leave an indelible mark on Rye Neck, and tonight we say THANK YOU.

Tonight we also celebrate our tenure candidates whose positive impacts are palpable and sincerely appreciated - we are so lucky to have you on our team. Thank you for your ongoing pursuit of knowledge, for continuing to explore best practices for growth, and for always being there for our students. You are the heartbeat of our schools and Rye Neck wouldn't be the same without you.

Lastly, we celebrate our two outgoing board members whose meaningful contributions and leadership helped shape our board governance. Gloria - your passion and fervor for Rye Neck, coupled with your thoughtful insights, valued perspectives and intuitive guidance helped lead Rye Neck for six years. Liz - your commitment to the details, acute respect for all things policy, and ability and willingness to do the legwork helped inform significant decisions and board direction. We sincerely thank you both for your volunteerism and stewardship.

And for the very last time, now to you Dr Lutinski…
