At MHS, success isn't just a goal—it's a tradition, and the Class of 2025 has set a new standard. An incredible 99% of students were recognized by the state as College, Career, or Military Ready (CCMR), the highest percentage ever recorded at the school. This achievement reflects a campus-wide commitment to preparing students for life beyond graduation, no matter the path they choose.

Academically and competitively, MHS continues to shine across the board. MHS holds an impressive 17th place among all 5A schools in Texas in the Lone Star Cup standings, a reflection of outstanding performance in UIL academics, athletics, and fine arts.

At MHS, students don't just dream—they prepare, perform, and achieve. The future is bright, and it's being built right here!
