

Dismissal visuals

Sato Walker/Biker Dismissal Map 2024-25

Two Pick Up Areas:

★ On the Corner of Ridgeline and Kaiser. Serving the students who live in the RIDGELINE EAST neighborhoods ★

★ At the back of the playground going down the stairs. Serving students who live in the RIDGELINE WEST neighborhood and the SOUTH neighborhoods. ★

Families who live in this area can choose which area to pick up from. Just make sure your child's teacher knows which area you will be at and please be consistent! Please only use MARKED crosswalks to ensure the safety of all.

Important to note:

- We cannot release students with neighbors or friends without parent permission
- Staff supervise both areas. If a parent is running late, students will be brought to the front office to call home.

Grown Ups: Please stay in designated pick up locations to wait for your child and use marked crosswalks
