

Parent Bulletin Thursday 5th June 2025

Dear Parents and Carers,

It has been a pleasure to welcome your children back to school after the half term holiday. I hope you had a great week with them. This week in school has largely been about exams and student attendance and engagement has continued to be excellent. Today we have our annual Learning Support Celebration Evening and I look forward to celebrating the successes of our students with additional needs, something that was recognised by Ofsted as a strength of the school when we were recently inspected by Ofsted.

Year 11 Study Leave

This begins for all Year 11 students on Monday and their leavers' assembly is on Wednesday. We will be sorry to see them go but they have worked hard and deserve the break after the intensity of the exam period. We cannot wait to see how they do when we get their results in August. Students can come into school from 8am on Thursday 21st August to collect their grades and enrol for the Sixth Form. Those that have bought hoodies will be able to collect them after their English exam tomorrow.

Enrichment Day - Tuesday 15th July

Work continues for this with signup underway next week for those students staying in school or going on local visits. Please do look out for details from us about this and ensure a speedy response.

Year 10 Work Experience

This gets underway next week and is a great opportunity for our Year 10 students to experience the world of work. Students who have placements must remember they are still representing the school and be the very best version of themselves. Those who do not have placements will have a normal week of lessons in school.

Dates for Your Diary
