# Lents Softball Field (Advanced Design)

## PROJECT TEAM

**Construction Management:**
Cumming Group
**Project Manager:**
Jack McAleer
**Site Manager:**
TBD
**Architect:**
ADC Engineering
**General Contractor:**
TBD

Aerial Site Plan Overview of New Softball Field

## PROJECT UPDATE 06/01/2025

The scope of the project includes a new softball field, with a new net backstop, low concrete wall, chain link fencing with gates, masonry dugouts with benches and storage, bullpens, high-quality sports lighting, area lighting as needed, irrigation, covered batting cage, new press box with concessions and restrooms, entry plaza to the softball field, and retaining wall with steps and ramp to plaza level from the adjacent parking lot.

Final permitting approvals were received in April 2025. The only outstanding items are final coordination with CWS for water meters and NCSD for tie-in to the existing sewer service. The project was bid on May 7th, and Hill Construction was the successful bidder. Notice to Proceed (NTP) was issued on May 19th.

The project is on schedule for completion in June 2026.
