Home Language Survey

Dear Parent/Guardian:

The purpose of the home language survey (HLS) is to determine the primary or home language of the student. This information is essential in order for schools to provide meaningful instruction for all students. The HLS is part of the statewide identification process required under Section 3113(b)(2) of the Every Student Succeeds Act (ESSA) and 703 KAR 5:070 and the related [Inclusion of Special Populations Guidance](#).

The HLS must be given to all students in grades K-12 upon their initial enrollment in the district as a first screening process to identify potential English learner students. The HLS is administered one time, upon initial enrollment in grades K-12 and remains in the student's cumulative file.

Please note that the answers to the survey below are student-specific. **If a language other than English is recorded for ANY of the required survey questions below, the district is legally obligated to do further assessment of your child to determine if they are eligible for language support.**

Answers will not be used for determining legal status or for immigration purposes. If your child is identified for English language services, you may decline some or all of the services offered to your child.

If you have any questions on how to complete the HLS, please contact your child's school.

Student Language Background (required):

1. What is the language most frequently spoken at home? _____
2. Which language did your child learn when they first began to talk? _____

By signing here, you certify that responses to the four required questions above are specific to your student. You understand that if a language other than English has been identified, your student will be tested to determine if they qualify for language support services, to help them become fluent in English. Students qualifying for language support services are entitled to services as an English learner and will be tested annually to determine their English language proficiency as required by ESSA 1111(b)(2)(G).
