Note: The selected providers are: The Kirkland Group, Eduservice (dba CT3 Education), Kids First, The International Solutions for Growth Group, CORE Learning, The Center for Applied Linguistics, and EL Engage. The lead partners listed were selected through a competitive RFP process based on their demonstrated expertise in providing high-quality professional development and instructional coaching. Each organization brings a strong record of improving teacher effectiveness and student outcomes, particularly in schools with diverse learning needs similar to Jackson Public Schools. The selected partners offer targeted support aligned with district and school priorities, including evidence-based strategies to accelerate learning, strengthen instructional practices, and close achievement gaps. By leveraging these partnerships, the district aims to build educator capacity and improve academic outcomes for all students.

·Grades 3–12 Content Area Support: The Kirkland Group, Eduservice (dba CT3 Education), Kids First, The International Solutions for Growth Group

· PreK–2nd Grade Integrated Support: The International Solutions for Growth Group, CORE Learning, Kids First
