

#12 Wirelessly Casting to an IFP (Using Short-cut)

This guide provides a straightforward method for wirelessly casting to an Interactive Flat Panel (IFP), making it easy to share content during presentations or collaborative sessions.

1 Press **Windows + K**

2 Select where you want to cast from the available displays

3 If you experience any issues, please fill out a tech ticket at <https://rochester.incidentiq.com/> and someone from our Tech Team will get back to you as soon as we are able.
