

#13 Extending to Add Multiple Screens

This guide provides a straightforward method to extend your desktop across multiple screens, enhancing your productivity and workspace organization.

1 Click on the "Search box"

2 Click "Settings"

3 Click "Display"

4 Click the dropdown arrow

isplay to change the settings for it. Drag displays to rearrange them.

5 Click "Extend desktop on 1 and 2"

6 Click "Keep changes"

7 Click "Identify" to see which number corresponds with which screen

8 You will need to move your screens to match how they look on your desk

9 Click, drag, and drop the screens to match your desk set-up

10 Click "Apply"

11 If you experience any issues, please fill out a tech ticket at <https://rochester.incidentiq.com/> and someone from our Tech Team will get back to you as soon as we are able.
