

Emmett School District Transportation Department

June 2025 Update

Idaho State Dept. of Education – Spot Inspection

On-Site at Emmett Bus Shop: May 13-15

Highlights from the Auditor:

- All required driver record support documentation was present and organized, reflecting a compliance rating of **100%**.
- All sixty-day and annual inspections were completed within the required time frame, reflecting a compliance rating of **100%**. *Buses were very clean and well maintained.*
- Rode six (6) school bus routes, evaluated driver skills and bus stops, and assessed district routing configurations, resulting in a compliance rating of **94%**. *School bus drivers exhibited excellent vehicle operation and student management skills.* Drivers are performing their student crossing in accordance with state loading / unloading training curriculum with proper eye contact from students and proper hand signal.
- While riding bus routes the buses stopped twelve (12) times at various schools and I observed five (5) instances of schools without continuous and interactive loading/unloading zone supervision, resulting in a compliance rating of **58%**.
- The entire transportation staff was helpful and courteous throughout the inspection process.
- In compliance with 33-1501 through 33-1512, Idaho code, the local board of trustees has established a set of written policies governing the student transportation system.
