

TECHNOLOGY DEPARTMENT UPDATE

JUNE, 2025

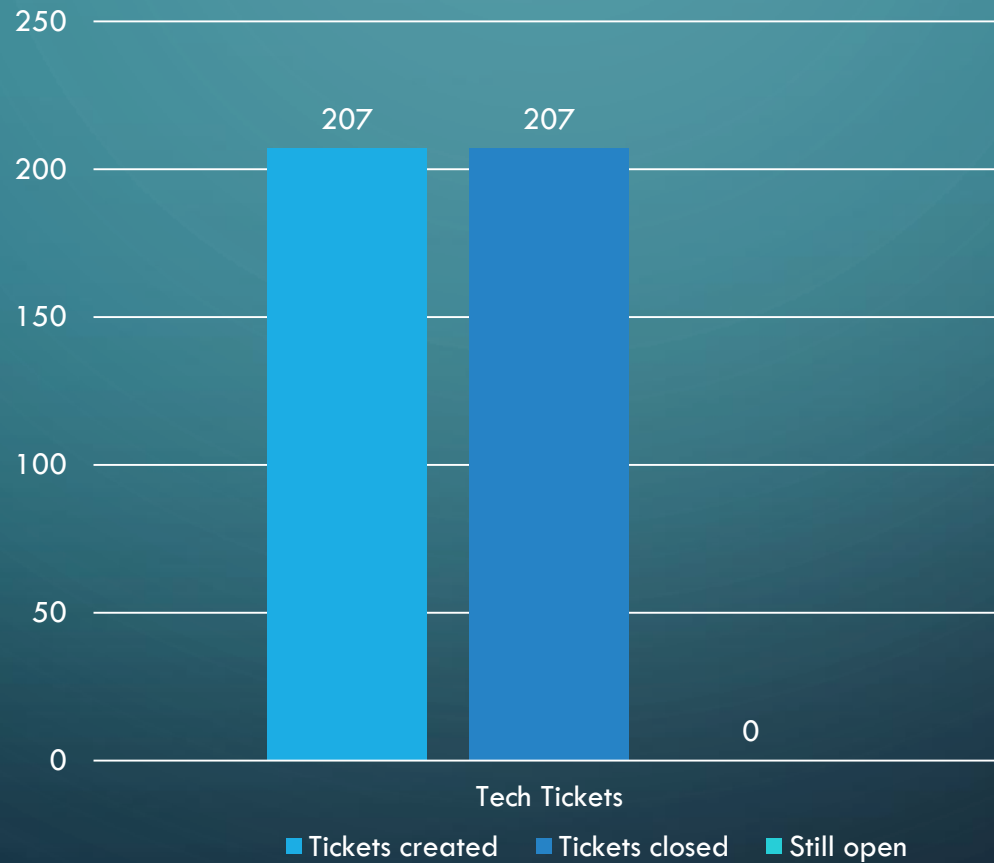

A MESSAGE FROM THE ESD TECHNOLOGY DEPARTMENT.

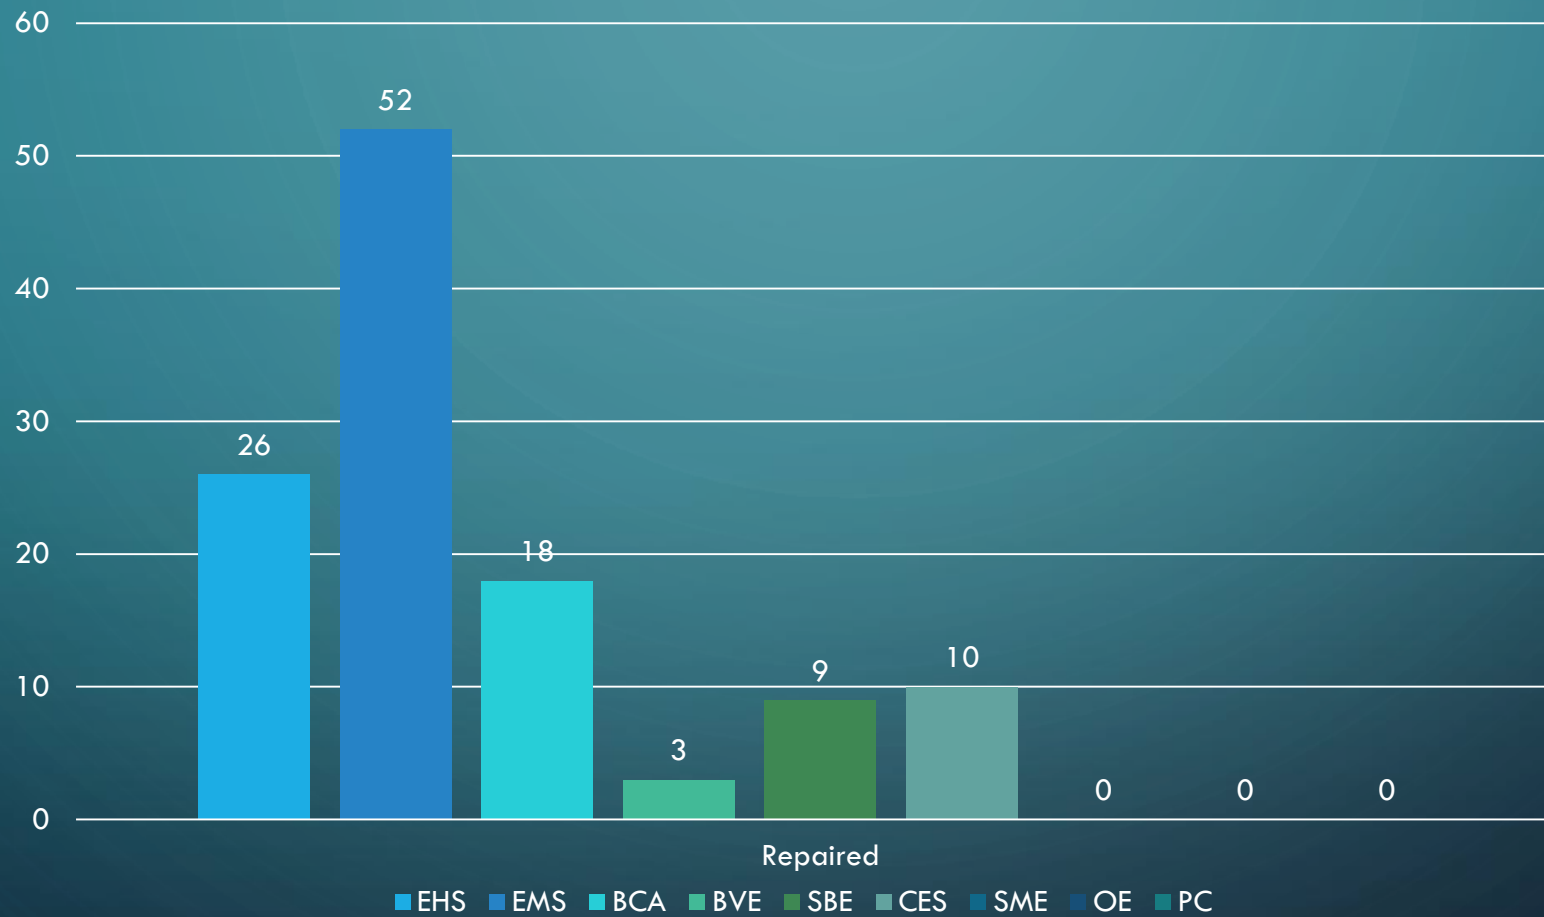

- It was a fantastic school year, and we couldn't have done it without your incredible help and support! We in the Technology Department are so grateful for your patience, flexibility, and collaboration in making technology a seamless and effective part of learning. We hope you have a wonderful and well-deserved summer break! While you're recharging, please know that the Technology Department will be hard at work throughout June and July. We'll be tackling various projects, performing essential maintenance, and preparing all systems and devices for the next school year. Enjoy your summer, and we look forward to seeing you refreshed and ready for another great year!
