## Eton Porny C of E First School Newsletter 34 – Summer Term 2

20th June 2025

*We are all created unique and special.*

*He made us all perfect having our own uniqueness.*

*1 Peter 4:10-11 "God has given each of you a gift from his great variety of spiritual gifts. Use them well to serve one another."*

Dear Parents/Carers,

This week was our annual sports day and PTA summer fair and it was fantastic to have the whole school community together for this event. Despite the hot weather, everyone pulled together to ensure that the children had a brilliant afternoon. It was great to see the children enjoying all the different activities and really encouraging their team members on. Its always one of highlights in the school calendar which takes lots of organising and planning—thank you to Miss Armitage and the rest of the school team. The PTA did a brilliant job and I know the children enjoyed the various stalls on offer especially throwing the wet sponges at the teachers! Thank you all for joining us and for the many lovely emails we have received about the day. The PTA will announce within the next couple of weeks as to how much money has been raised. They still have some remaining stock so they will be running a tuck shop next week, details will be announced next week.

Wishing you a lovely weekend, Emma Stanford-Smith (Headteacher)

I kept on dropping  
the egg in the egg  
and spoon race but it  
was still really fun!

Sports day is  
always the best  
day!

## Year 3 Kew Gardens Trip

Year 3 started their art project, 'Beautiful botanicals' with a trip to Kew Gardens last week. They collected leaves and flowers to create a botanical weaving, did some sketching and did a colour treasure hunt. They've carried on their art learning this week creating sketching in the style of Katie Scott and visited the Natural History Museum to learn more about Joseph Banks and the sketches he brought back from his travels around the world.

# Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

**To enjoy the water safely and make the right call...**

- **Enter slowly and carefully**

Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers\*. Are you really a good swimmer?

- **Stay within reach**

Don't go too far and stay within a standing depth.

- **Always be supervised**

Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

**In an emergency...**

- **Call 999**

If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.

- **If you're in trouble FLOAT and call for help**

Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

CALL 999
