

Welcome to the North Creek Tennis Program!

The first day of tryouts/ practice will be Monday, Aug. 25th.

Top, returning players will practice from 8:30am-10am; they will be identified by email.

All other returning players and all new to the team will turnout from 10am-11:30am.

Please register in FinalForms ASAP so that we can assess numbers and for further communication.

<https://northcreek.nsd.org/athletics/register-for-athletics>

*If you are not able to attend tryouts on the 25th, you **must** email us what date you will be at practice. We need players that are committed to the program and attend all practices. Players unable to tryout the first few days will jeopardize their chances of being on the team.*

NSD has not confirmed if we will have a third coach or not. If we have a third coach, we will keep the team around 75 due to the limitations of six courts at North Creek. If we do not have a third coach, we will cut to around 50, which is the average for the other teams in our district. We have a very competitive team with experienced players. Generally, less experienced players may not make the team. If you are new to tennis, you may be better off taking some lessons before coming out for the North Creek team.

Practice will be M-F up until our last match in October. We will have practice the first two Saturdays, Aug. 30 and Sept. 6. KingCo ADs have reorganized the 4A and 3A teams again. Our Mountain Division now includes North Creek, Bothell, Inglemoor, Woodinville, Hazen, Liberty (Renton), and Mt. Si so there will be additional travel for Away matches.

More information will be sent to those enrolled in FinalForms as we approach Aug. 25th. Get ready for a GREAT season of Tennis!! Get out and play as much as possible over the Summer. Any preseason questions, please let me know thagerman@nsd.org

Thank you & Be Well, Coach Hagerman
