Purchasing Department

RFP 25-027JB
ADDENDUM NO. 1

Expanded Learning Opportunities Program Enrichment Providers

June 20, 2025

Addendum No. 1 is issued in response to questions received from providers.

Question No. 1: Will you accept a proposal for tutoring in reading, math, and/or test prep for college-readiness (i.e. SAT and ACT)?

Response: Yes.

Question No. 2: Will you accept a proposal from a for-profit company?

Response: Yes.

Question No. 3: Are the Colton elementary schools using a daily after school class rotation schedule that allows a vendor to provide multiple sessions per day at each site? For example, between 3 and 6 PM to teach three groups of 20 students for 45 minutes each, at 3 PM, 4PM, 5 PM, or something similar?

Response: Yes.

Question No. 4: Is there a standard length for weeks of vendor's rotation at each school site. i.e. Monday through Friday for 6 weeks at each elementary school?

Response: No, the District is open to various models, depending on the type of program offered.

Question No. 5: Are the students self-selecting into the enrichment programs or do all after school students at all 18 schools participate in all programs?

Response: We are open to both models, programs where students self-select and programs where all students will participate. (i.e., we may have an art program where all students participate, but dance may be offered as an option that students could choose). The necessary information would be how many students your program can accommodate.

Question No. 6: Will digital signatures be accepted via Adobe Sign or DocuSign?

Response: Yes.

Question No. 7: Is there a page limit associated with this RFP? If so, do the cover pages and required signature forms count towards the page limit? May additional pages be added if needed?

Response: *Per the section titled "Response Format and Content" Response **should not include any unnecessarily elaborate or promotional material.** Lengthy narrative is discouraged; presentations should be brief and concise. The response should not exceed ten (10) single-side pages in length, excluding the Executive Summary Letter, Table of Contents, Divider Tabs, and the required Exhibits. The form, content, and sequence of the response should follow the outline presented below."*

Question No. 8: I assume the district forms, such as Non-Collusion do not count toward the 10-page narrative total?

Response: *Correct the forms and pricing do not count towards the page limitation.*

Question No. 9: Are we allowed to include a few supporting documents in an appendix?

Response: *Please refer to the response for Question No. 7.*
