Banning USD Successfully Participates in the Great ShakeOut Drill

BANNING, CA — Banning Unified School District joined millions across the state today in the annual Great ShakeOut earthquake drill. All school sites and administrative offices took part in this important event, designed to promote earthquake preparedness and ensure the safety of students, staff, and the entire school community.

During the drill, participants practiced the "Drop, Cover, and Hold On" technique to protect themselves in the event of an earthquake. The district's ongoing commitment to safety and emergency preparedness was further reinforced through this valuable exercise.

Banning Unified School District remains dedicated to providing a safe learning environment for all and will continue to prioritize safety through regular training and drills.

###

The mission of Banning Unified School District is to collaborate as a diverse community in developing responsible, respectful, and prepared students to achieve their full potential.
