

June 2025 Superintendent Update

Dear Brecksville-Broadview Heights City Schools Community,

On behalf of the administrative team and Board of Education, I hope that summertime finds you well, relaxed, having some fun and enjoying a bit of time away from school. I express my gratitude to our entire school family, including our students, staff members, families, and partners throughout the community for successfully completing the 2024-2025 school year. I reflect with great pride and excitement upon a remarkable year and all that's been accomplished. Together, the BBHCSD school family made these last several months exceptionally dedicated to fulfilling the shared mission we have to rigorously educate, boldly empower, and collaboratively engage our students.

Congratulations BBHHS Class of 2025!

On behalf of the BBHCSD, congratulations once again to the Class of 2025, whose academic achievement and co-curricular accomplishments were on full display during our 142nd annual Commencement Ceremony on May 24th. Your hard work, determination, curiosity for learning, and success have been an inspiration to the entire student body in our district. Whether college or continued education, career, military service, or a pause to contemplate your plans is among your next steps, the BBHCSD wishes you well in your future endeavors.

[You can read more about the high honors achieved by the Class of 2025 here.](#)

Enjoy Your Summer, Students!

Thank you to the entire student body, congratulations on the successful accomplishment of completing another school year, and please enjoy the summertime. The testing, exam, performance, and competition season that recently ended with the close of another year required your full attention, and you successfully finished strong. You've earned some extra relaxation, so please enjoy!

Perhaps one of my favorite activities of the year-end time, is when our departing seniors visited the incoming kindergarten Class of 2038, who are just beginning their voyage with our district.

Thank You Teachers and Staff!

The teachers and staff of the BBHCSD are an incredible team of instructors and mentors for our students, and I thank them for their

efforts during the 2024-2025 school year. Your unwavering dedication to inspiring our students ignites their passion for learning and illuminates the paths of their educational journeys. To those staff members retiring, we thank you for your service and wish you well. Our heartfelt gratitude is expressed to the teachers and staff who invest countless hours to positively impact our students. We hope you have an enjoyable summer as well.

To our families, the road to successfully completing another school year is empowered with your support. Thank you for helping to create a nurturing environment at home that reinforces what our students are learning in the classroom. To the members of the BBHCSD PSO team, we salute your efforts and greatly value the creativity you infuse into various student opportunities. Thank you for raising funds, volunteering at the buildings, and affirming the best possible educational experience for our students.

Finally, to the Board of Education of the Brecksville-Broadview Heights City Schools, thank you for the opportunity to serve this community. Your leadership of this district is evident around every corner, in planning for the future, supplying valuable context of our school's rich heritage, and ensuring that student and staff well-being is a top priority. The collaboration we experience together, in partnership with our cities, businesses, and public safety forces, makes for an elite school environment... to fulfill our vision to become *a destination school district*.

Thank you all once again, for the successful completion of another school year.

Enjoy your summer!

Jeffrey D. Harrison
Superintendent
